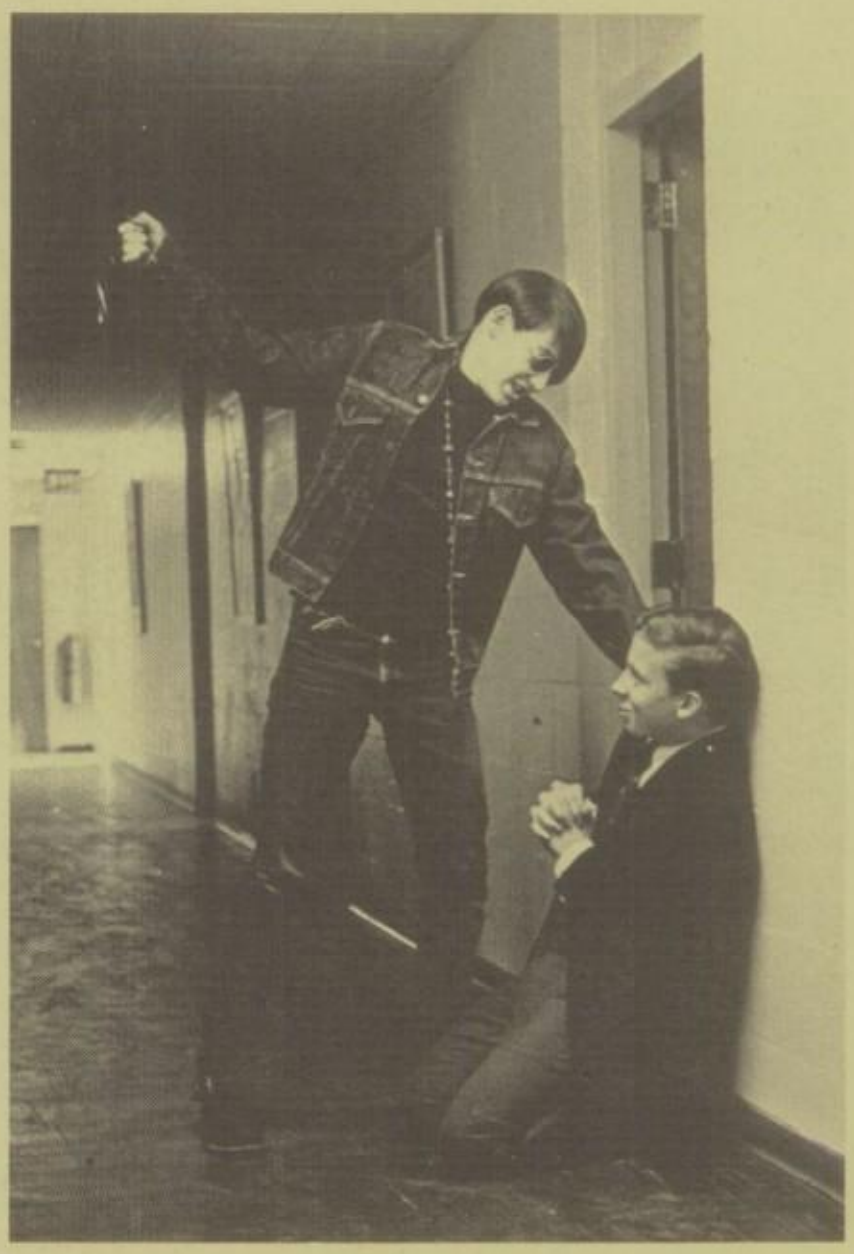
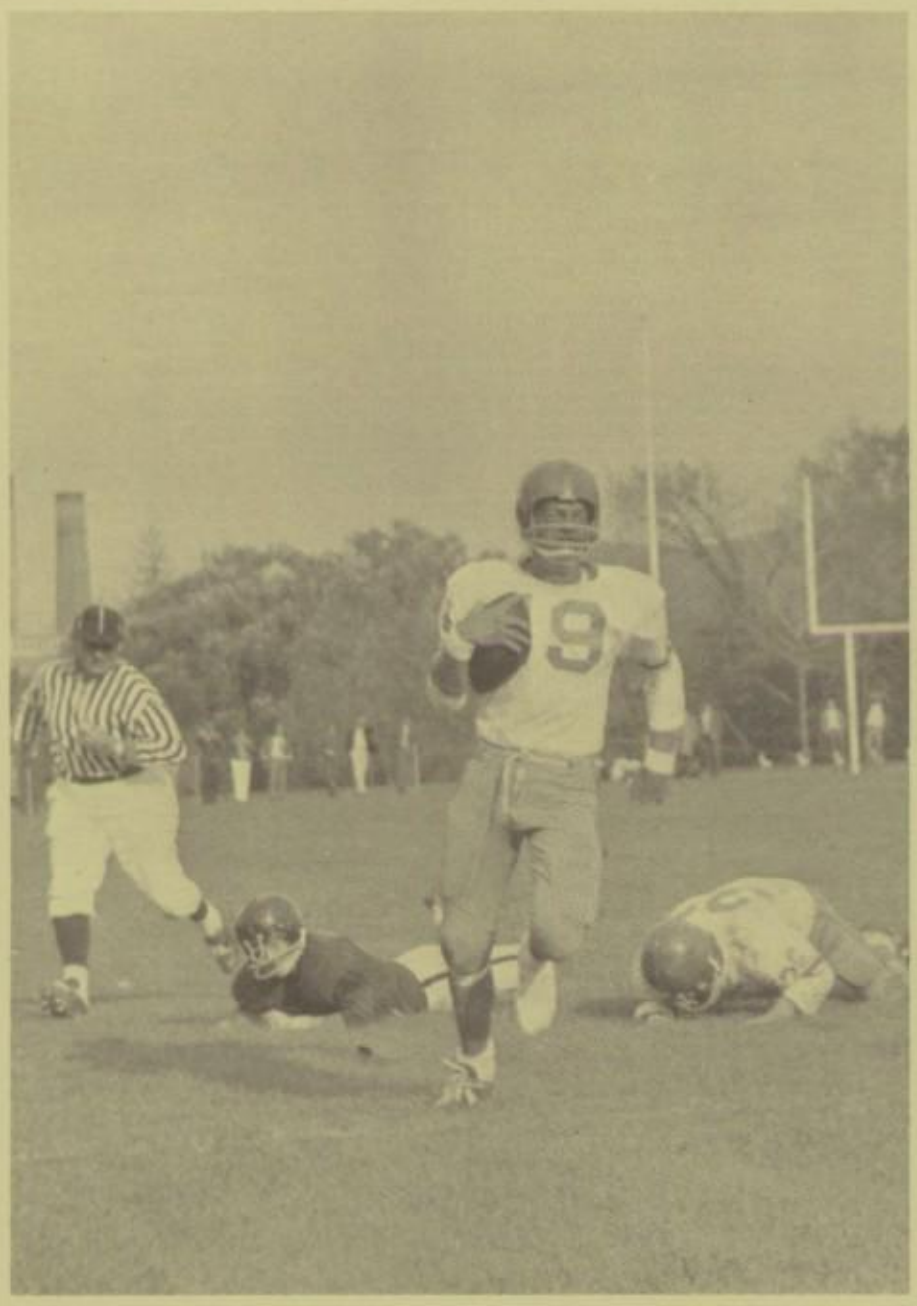
To dream the impossible dream,
To fight the unbeatable foe . . .

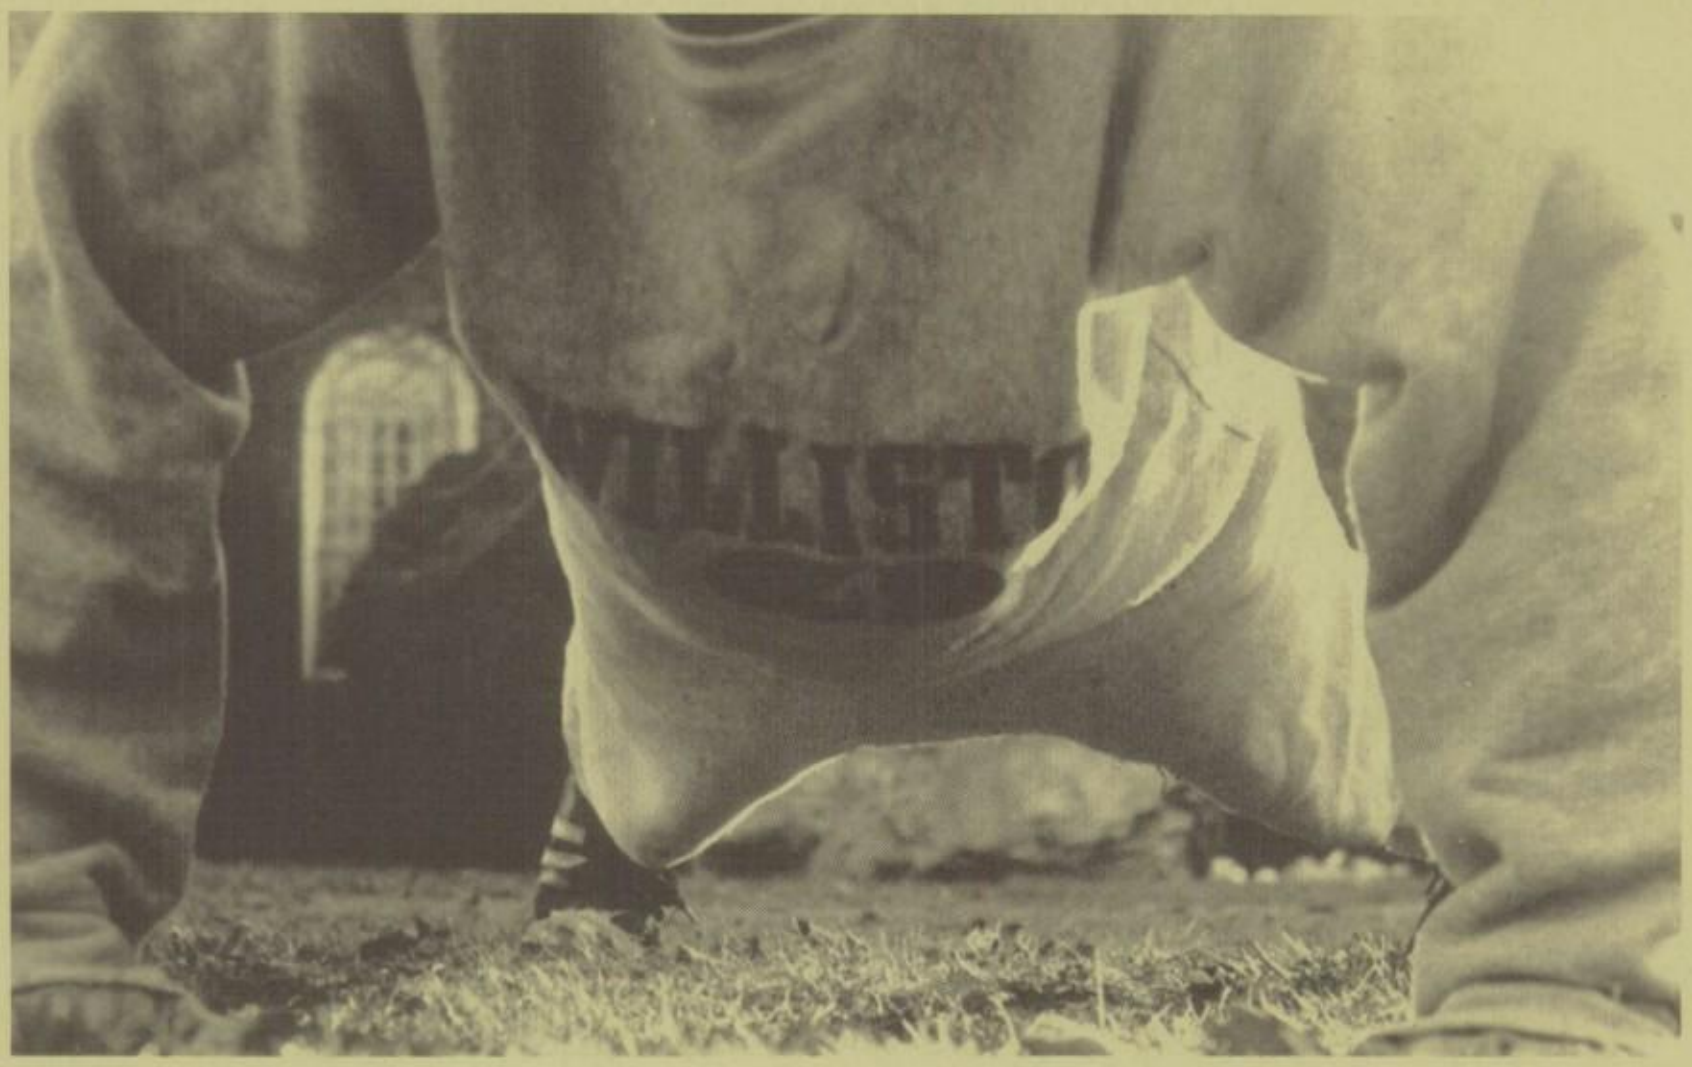


To bear with unbearable sorrow . . .

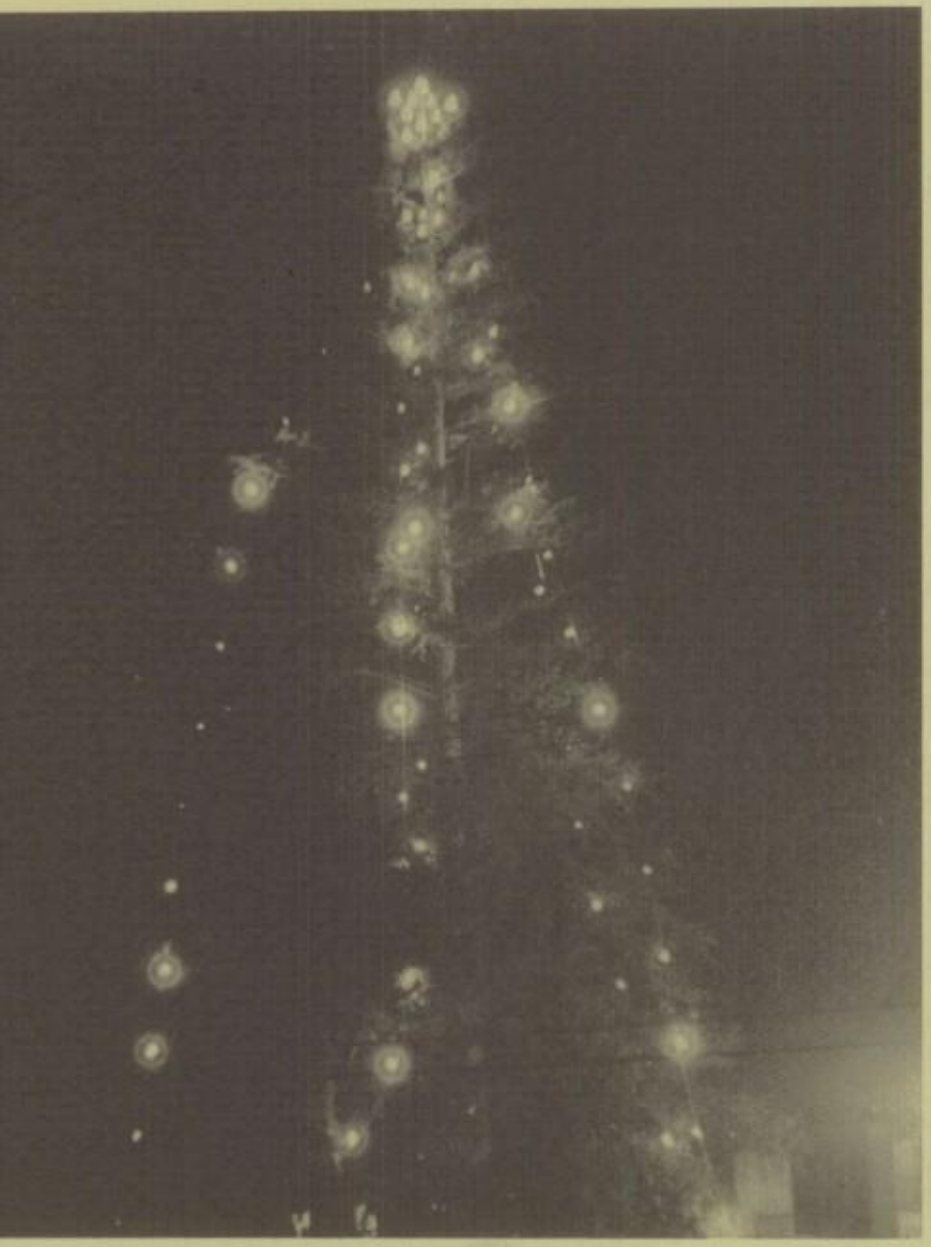
To run where the brave dare not go . . .



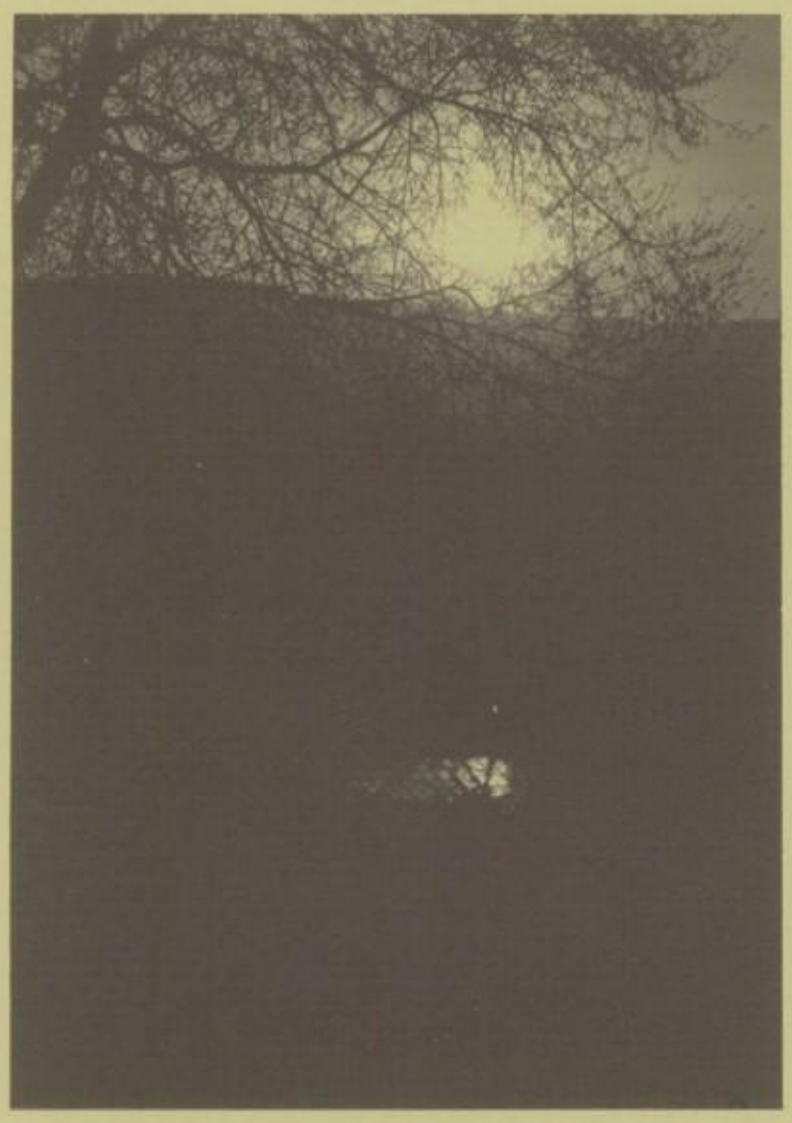
To write the unwritable role,
To love pure and chaste from afar . . .



To try when your arms are too weary,
To reach the unreachable star . . .



This is my quest, to follow that star . . .

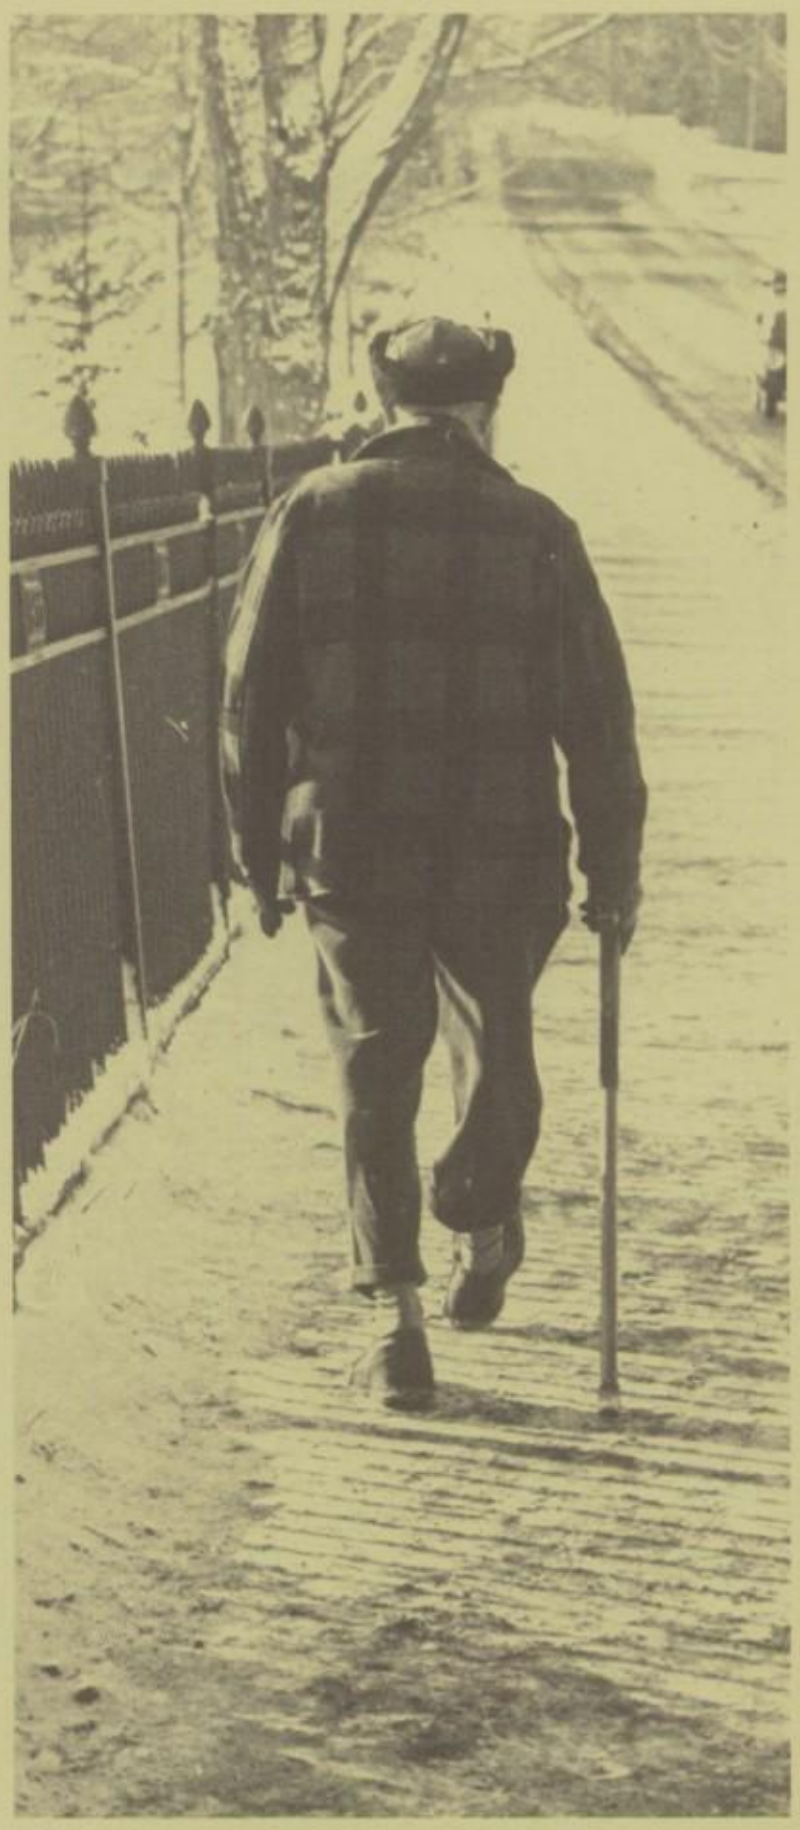


No matter how hopeless, no matter how far . . .

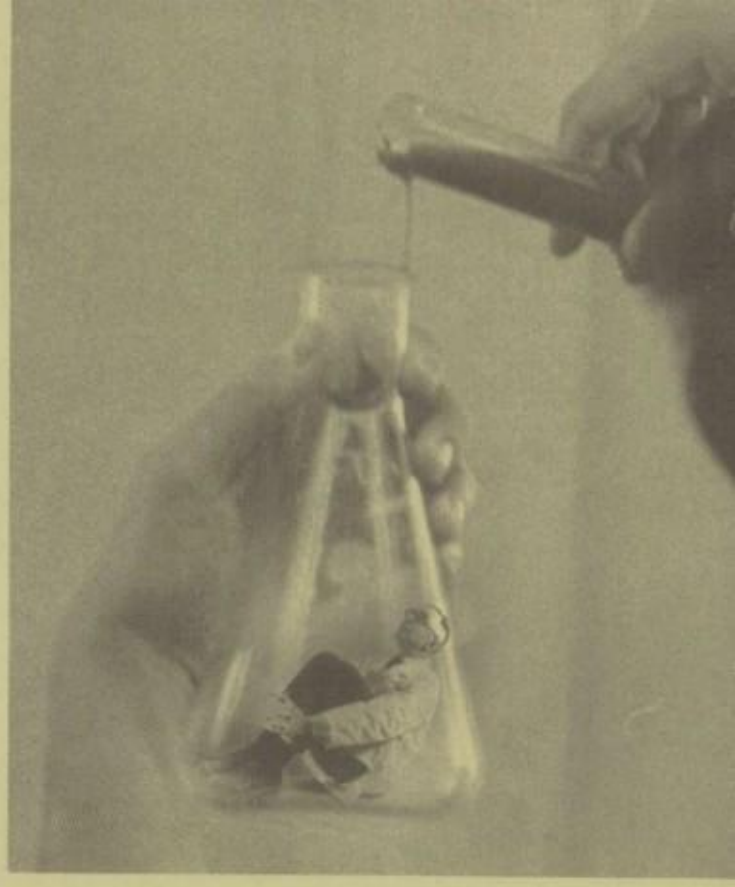
To fight for the right, without question or pause . . .

To be willing to march into Hell for a Heavenly cause . . .

And I know if I'll only be true to this glorious quest . . .



That my heart will lie peaceful and calm when I'm laid to my rest . . .

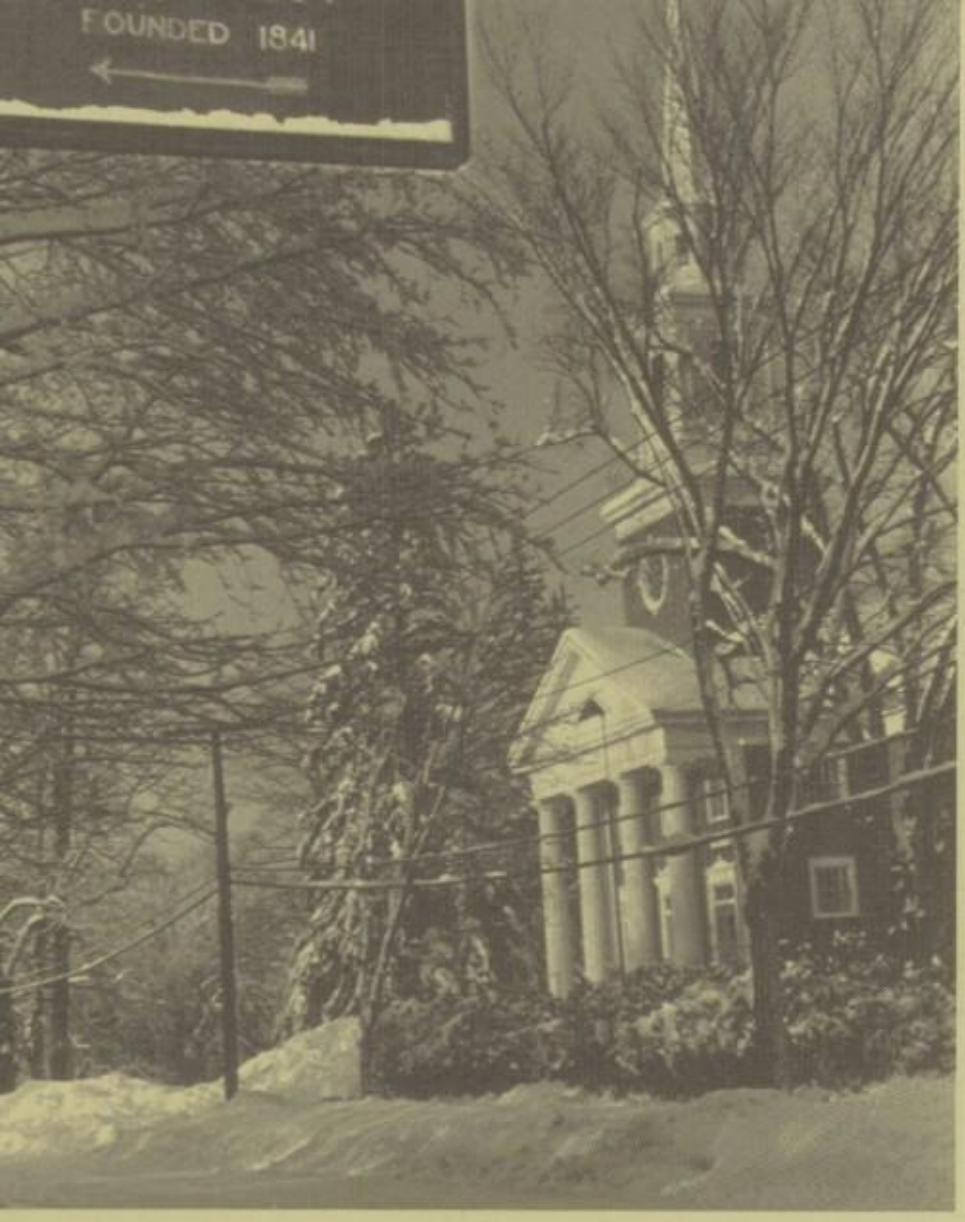


And the world will be better for this . . .

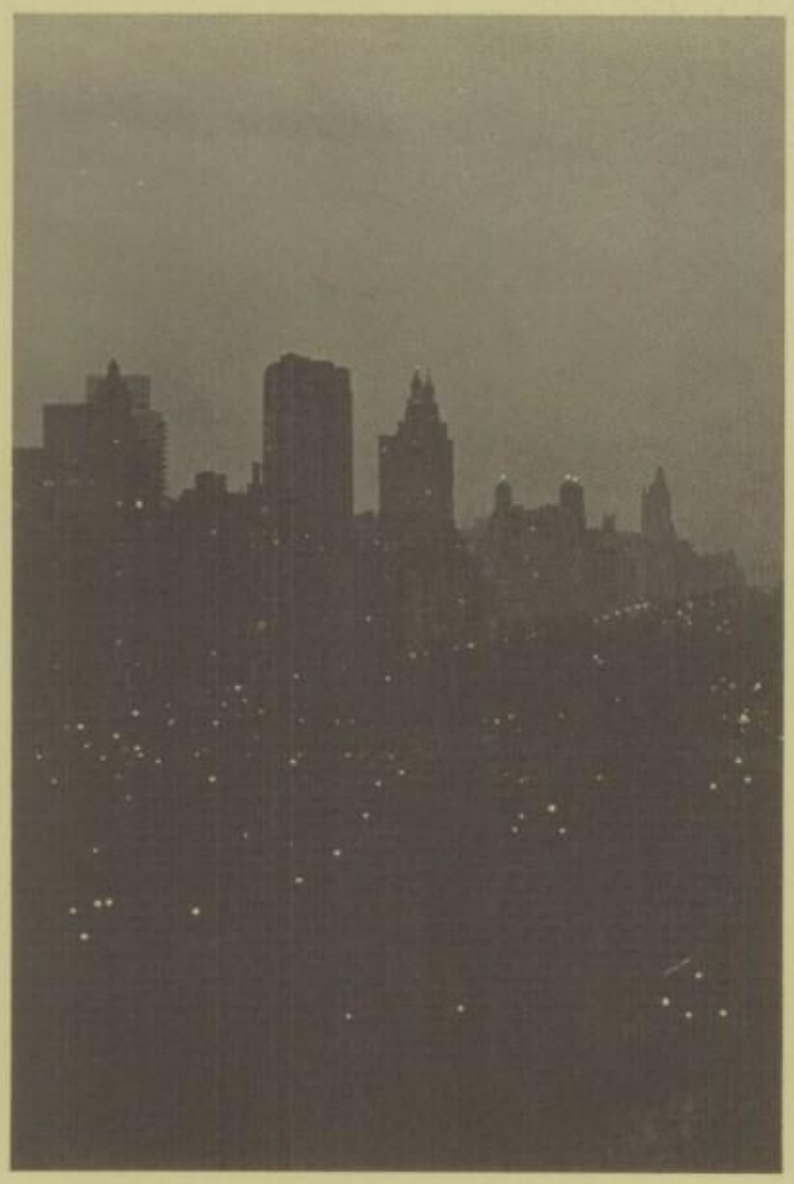
That one man, scorned and covered with scars . . .

Still strove with his last ounce of courage . . .

To reach the unreachable star . . .



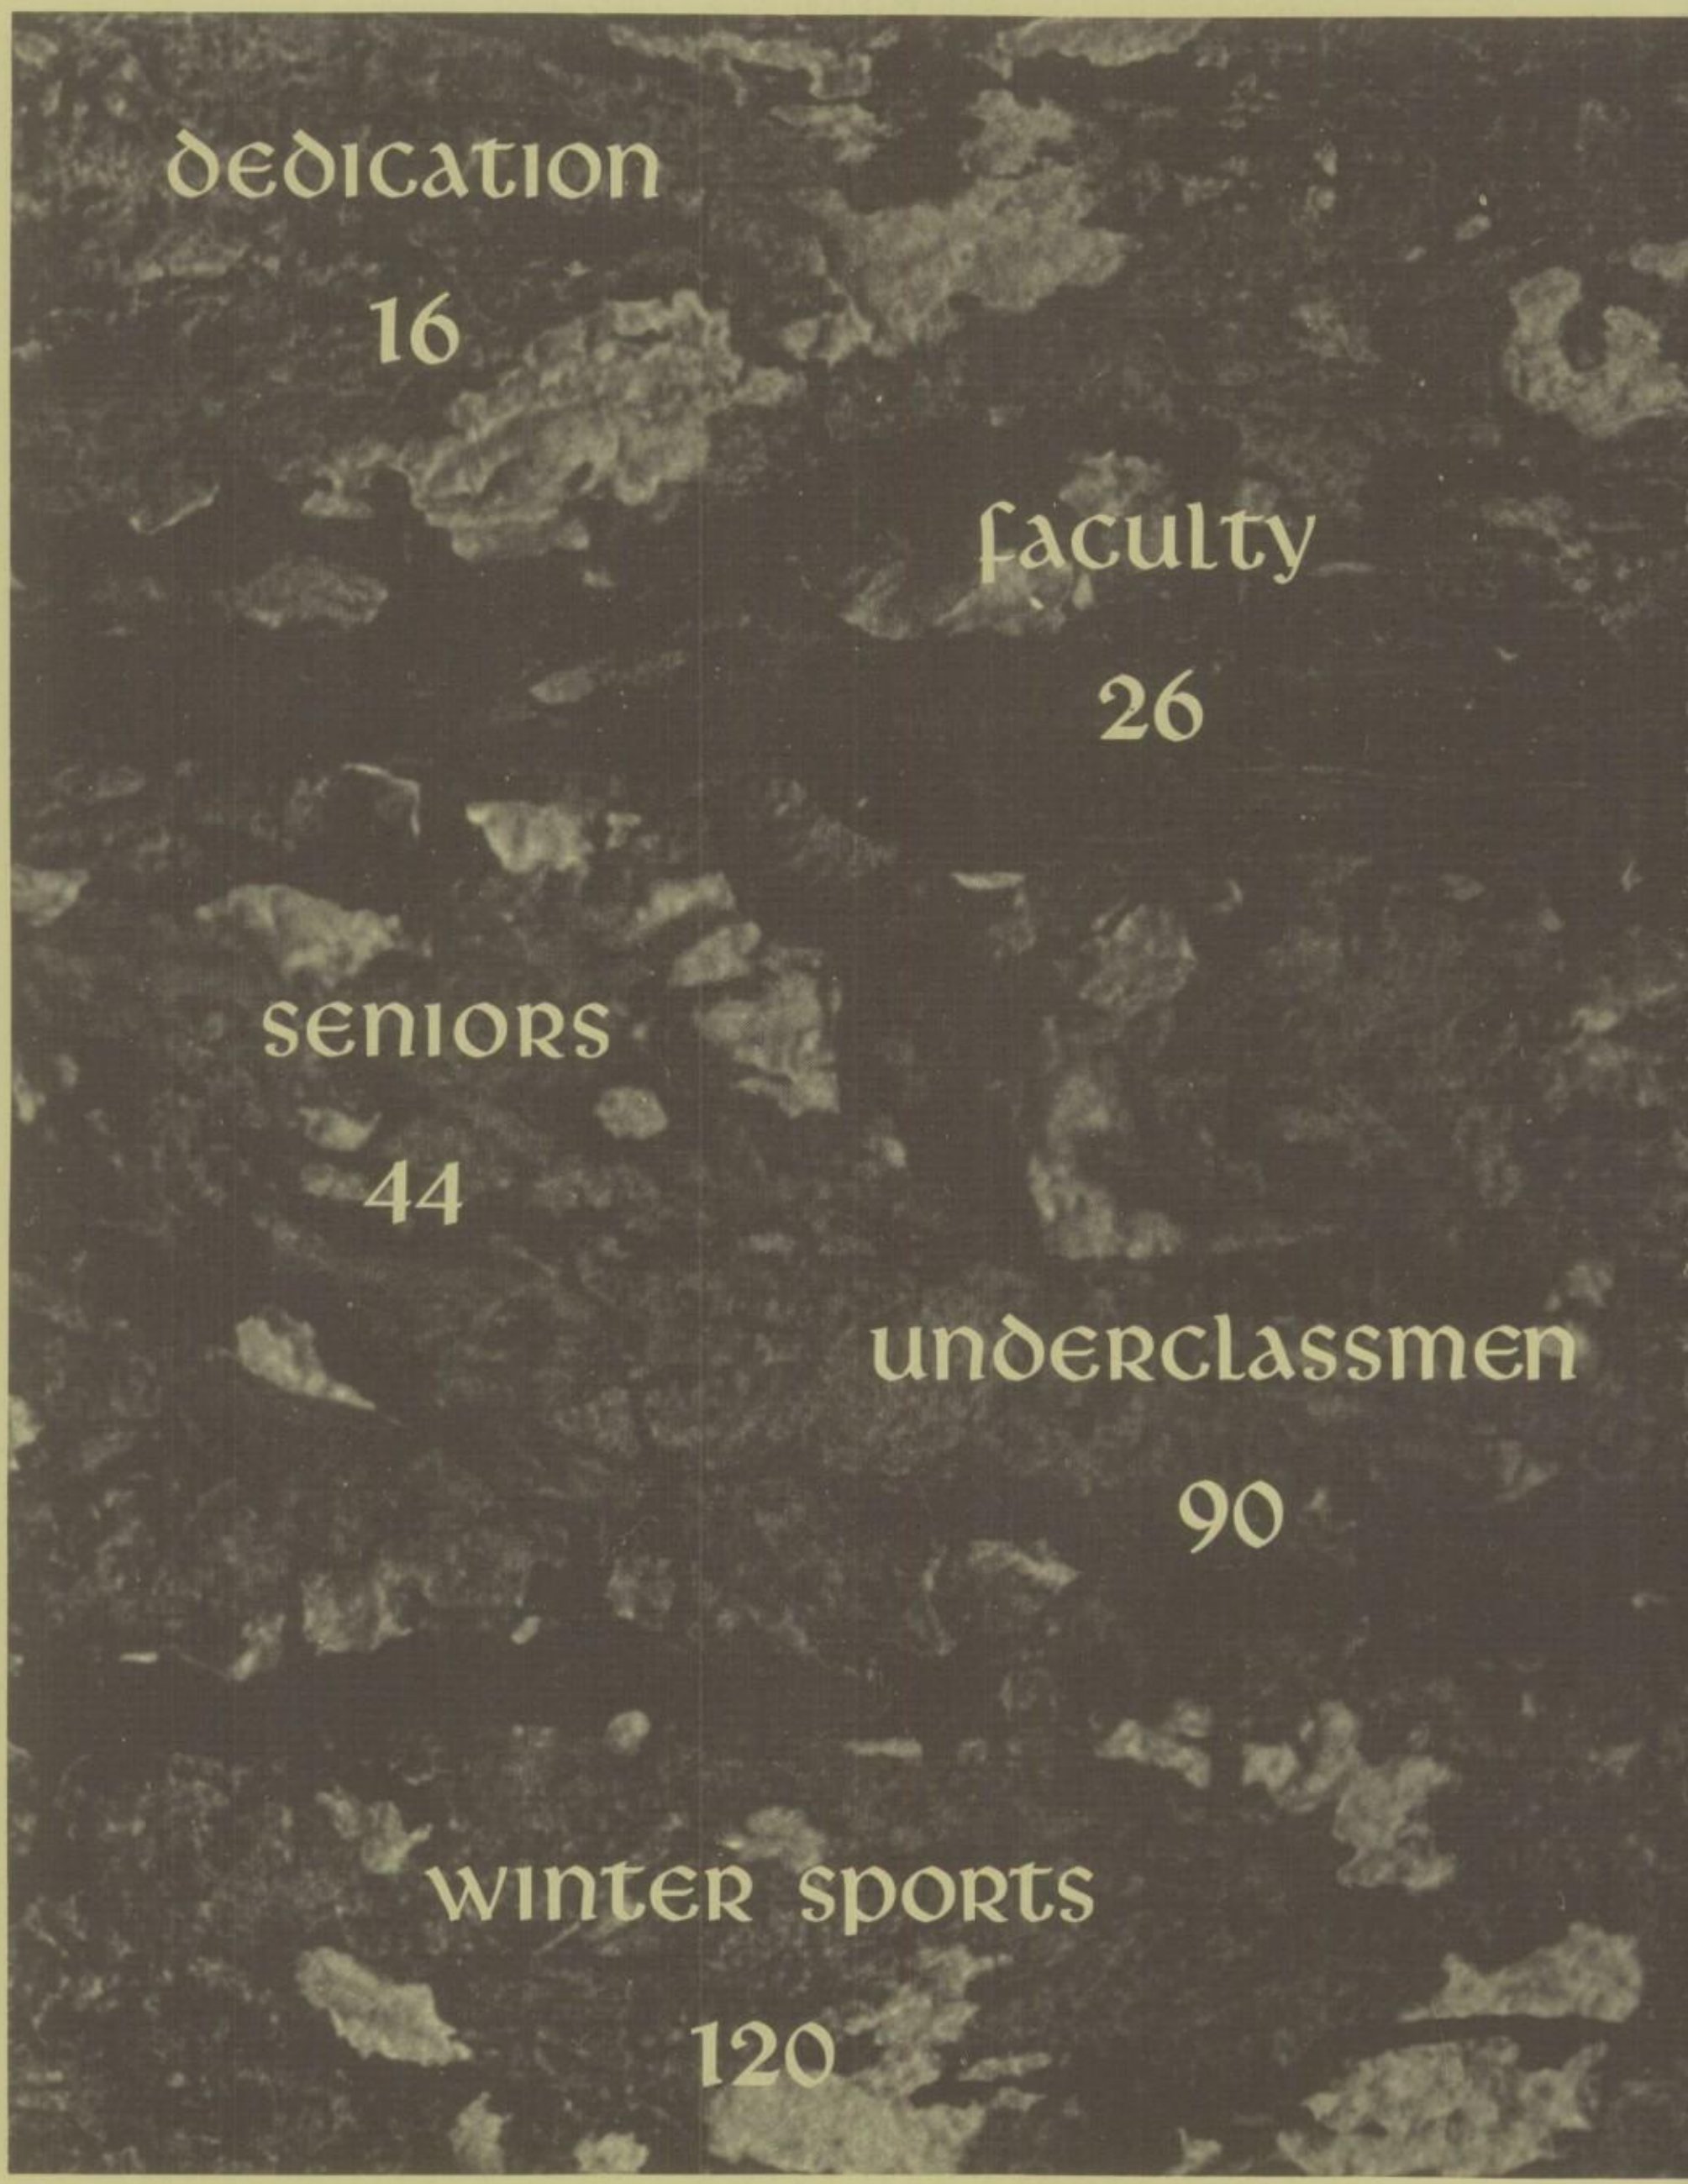
To reach the unreachable star . . .



Though you know it's impossibly high . . .

To reach the unreachable star.

To live with your heart striving upward . . .



dedication

"The cast and crew of the 1960-1961 Williston Dramatics Club pay tribute to Ellis B. Baker, IV, for his dedicated work toward his purpose: the continuation of adult, varied, and challenging plays—meaningful and stimulating as well as entertaining experiences for all." These words, which stand as a permanent tribute to Mr. Baker, on a plaque in the Howard G. Boardman Auditorium, describe the meaningfullness of Mr. Ellis Baker's unending dedication to the theatre at Williston Academy and to every aspect of the school.

In his position as Director of Student Affairs, Mr. Baker has contributed numerous hours in keeping a record of every student at Williston. In addition, Mr. Baker directs the National Education Conference each October.

In May, 1968, Mr. Baker undertook the direction of Sandy Wilson's musical spoof, "The Boyfriend," and the production was one of the most highly acclaimed ever at Williston. "The Brothers Karamazov," directed by Mr. Baker and presented in November, 1968, was an overwhelming success, also.

Last year, Mr. Baker was the Faculty Adviser to the **Log,** and he spent many hours working in the early hours of the morning in an attempt to devote as much time as possible to the yearbook.

The **Log,** and certainly the entire school, takes great pride in dedicating to Mr. Ellis B. Baker, IV, the 1969 **Log** with the deepest gratitude for his efforts at Williston.

Board of Trustees

Mr. Frederick K. Daggett, '25—President; Mr. A. R. Wentworth, '39—Vice-President; Mr. Phillips Stevens—Secretary; The Honorable Neill W. Schoonmaker, '26—Treasurer; Mr. Wilmot S. Babcock—Assistant Treasurer; Mr. Emmons Bryant, '28; Mr. Frank P. Conant, '35; Mr. Alan Dayton, '43; Mr. William Dwight; Mr. William E. Dwyer, '20; Dr. Arthur E. Gramse, '33; Mr. Archibald Hepworth; Mr. John M. Kemper; Mr. Otto Kollmorgen; Major Cecil Montgomery-Moore, Ret., D.F.C.; Vice Admiral L. P. Ramage, '26, USN; Mr. John E. Reed, '33; Professor John A. Seiler, '45; Mr. John P. Spaulding, Lauren D. Lyman, '12; Mr. Alen Fudgler, '31, trustee emeritus; Mr. '41; Mr. James W. Wickenden; Mr. Thomas W. Swan, trustee emeritus; Mr. John P. Wright, '24, trustee emeritus.

Created by Samuel Williston in the original constitution of the Williston Seminary, the Board of Trustees has continued to make excellent progress in developing programs for both the physical expansion of the school and the maintenance of academic excellence. The Board consists of twenty men, ten life trustees, five term trustees, and five alumni trustees, one of whom is appointed annually for a five year term by the Alumni Council, subject to the approval of the Board of Trustees. The life and term trustees are selected by the Board.

In addition to electing new teachers and administrators, the Board also encourages active alumni participation for the benefit of the school and arranges alumni gatherings throughout the year. It has also been the job of the Board of Trustees to select the Headmaster and to see to it that he continues to fulfill his responsibilities.

In co-ordination with the Board of Trustees there is an inner organization called the Prudential Committee which consists of no less than three and no more than five members of the Board of Trustees who submit decisions to the Board itself. This committee is useful when urgent matters require immediate attention and the entire Board is unable to convene.

Frederick K. Daggett '25, President of the Board of Trustees, has continued to give unselfishly of himself in the development of the school.

BOARD OF OVERSEERS

The Board of Overseers, initiated by Alton Perry '27, continued to play an increasingly important role in the development of the school. The main job of the Board is to survey and study the needs of the school and then pass on, or recommend, ideas to the Board of Trustees, which in turn decides on the future of these ideas.

Twelve new members are elected annually for a three year term on the Board, and there are no limitations as to who may be elected. Local members have included lawyers, doctors, bankers, police and fire chiefs, and many other important figures in the Western Massachusetts area. Several members of the Board of Trustees have originally gained their reputation on the Board of Overseers and have been promoted to organizations of direct importance to Williston Academy.

The Chapel, the Master's Rink, and the forthcoming developments of the present gymnasium have been studied and approved by the Board of Overseers. These dedicated people, who come from many parts of the nation, have encouraged many boys to apply to Williston and have carried the good name of the school far and wide. They have taken time from their businesses to meet at the school three times a year to study and discuss all the proposals which have been made. They have been an extraordinary asset to the school, and Williston Academy is that much richer for the devotion that the Board of Overseers has given to the problems of the administration.

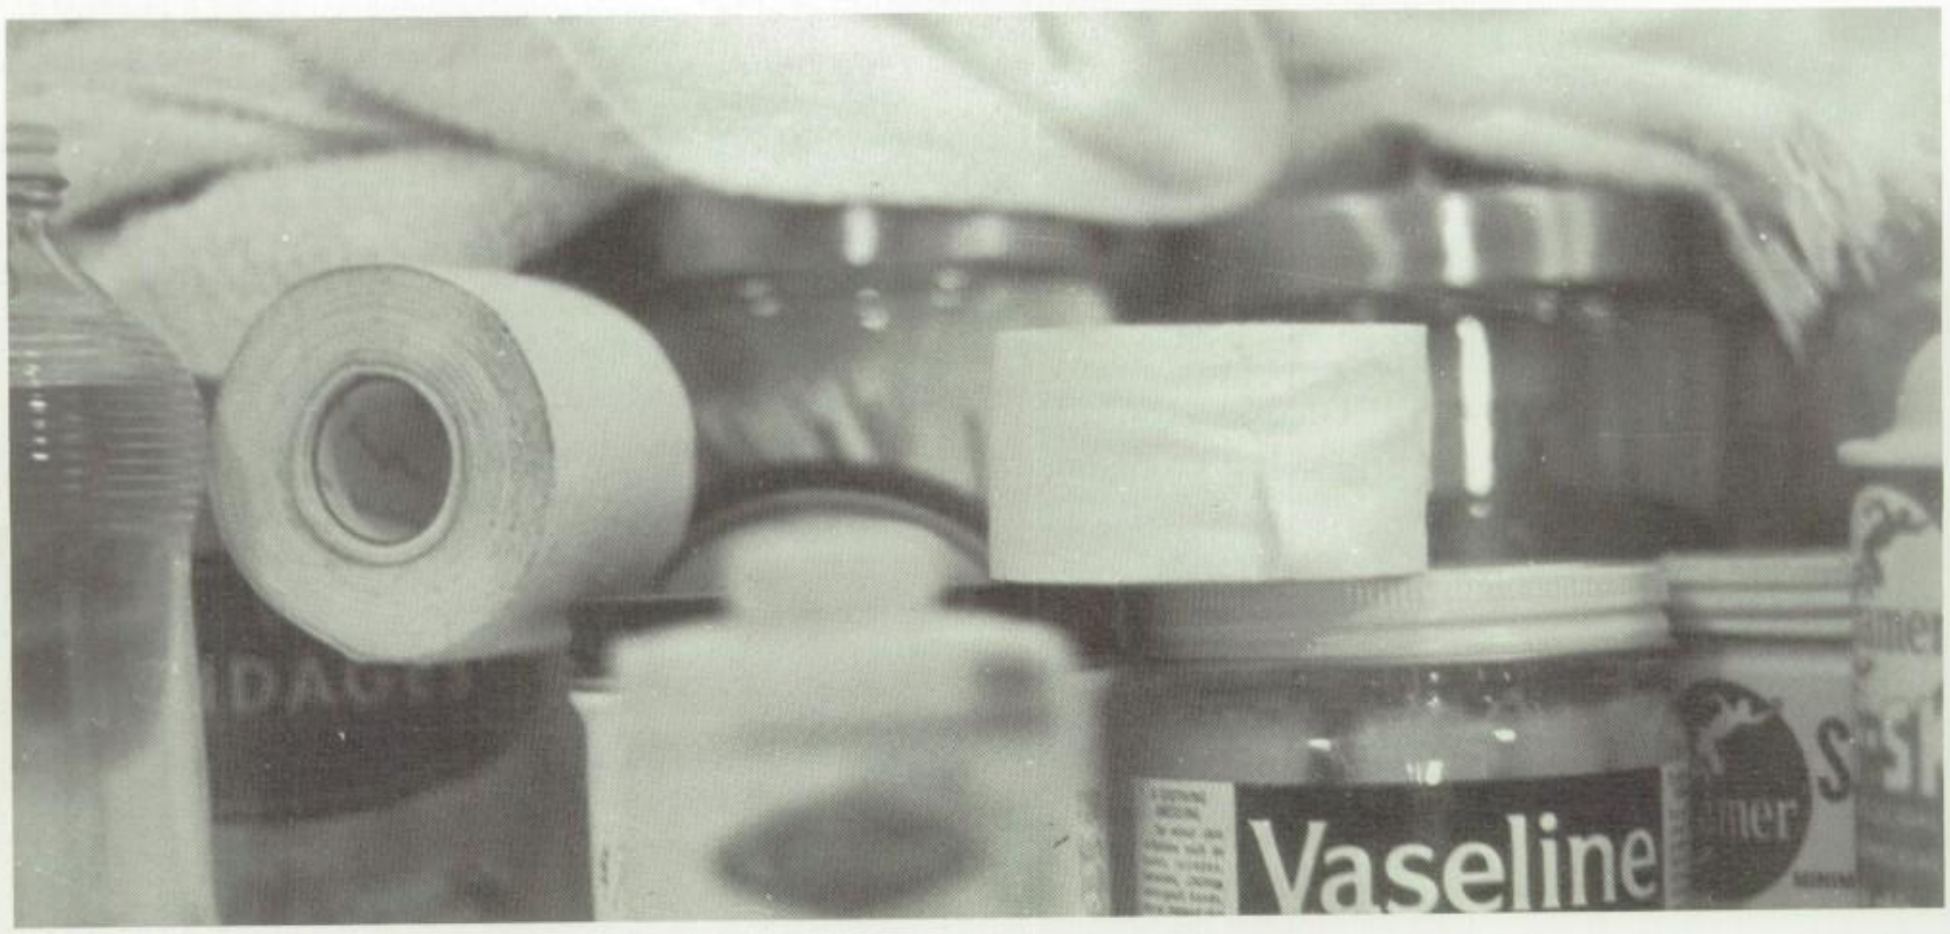
fall sports



Athletic training table, an integral part of the athletic program.

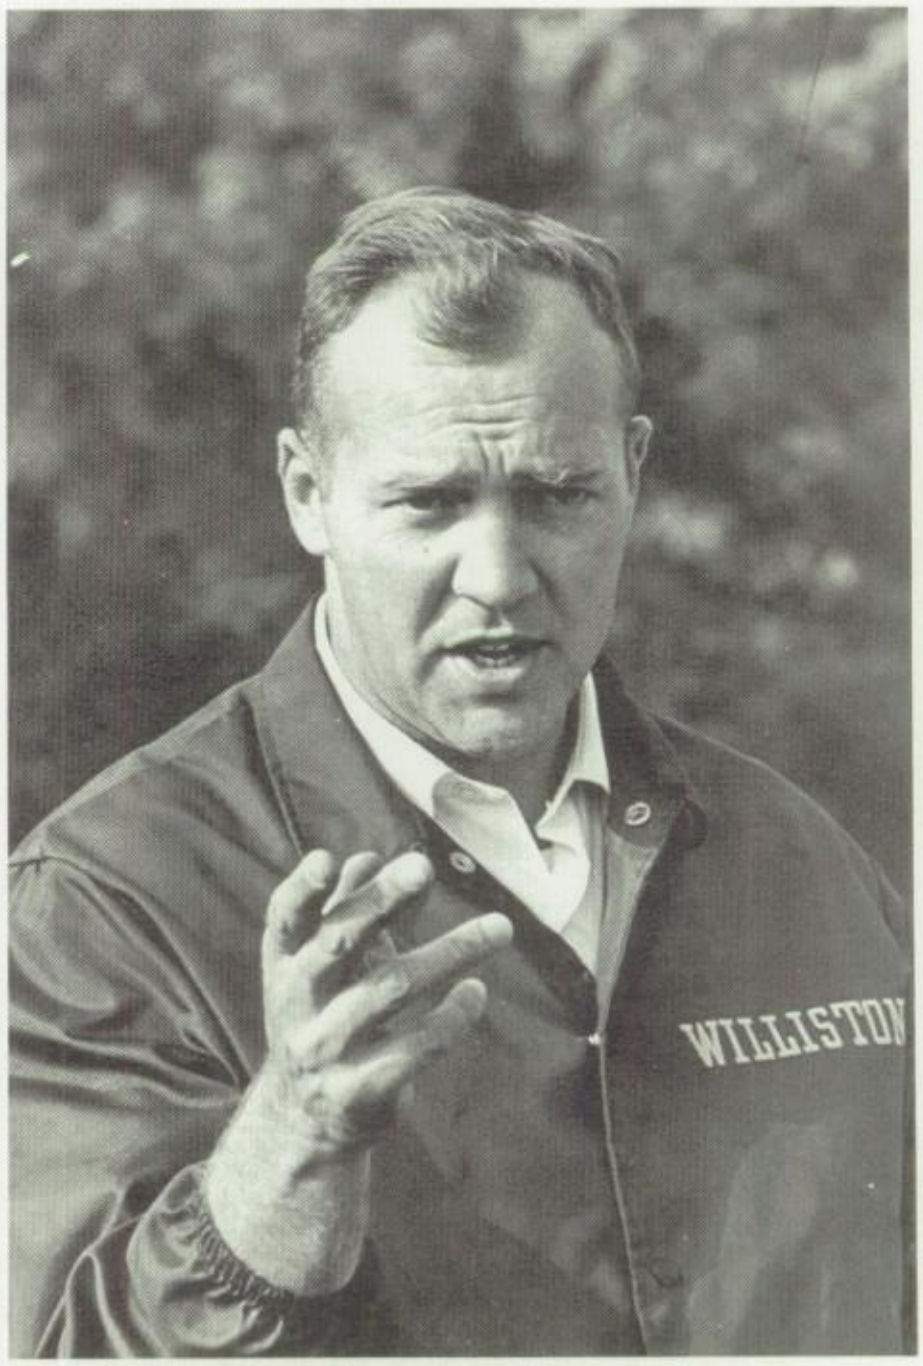
Director of Athletics

Assuming the responsibility of the ever-so-important position of Director of Athletics that was vacated by the retirement of Mr. Dale Lash was Mr. Richard R. Francis. Incorporated into the position of Director of Athletics is the tremendous duty of arranging the schedules for the fifteen Williston Varsity teams and the many minor teams.

Mr. Francis' efforts make possible the outstanding interscholastic record that Williston has, and he makes it possible for many boys to come into contact with many other prep schools and high schools.

In addition to his duties as Director of Athletics, Mr. Francis donates innumerable hours to the school as head football and basketball coach. Mr. Francis spends many hours working with his teams in an effort to improve the physical condition and the mental outlook of the boys that he deals with.

The athletic program has always been a major part of Williston life, and through the efforts of Mr. Francis, Williston has continued her constant improvement in the field of physical education.



Richard R. Francis, Director of Athletics & Mathematics

Football

The 1968 football squad, captained by Sam Greeley '69, and Ted Benoit '69, ended a successful season with a 4-3 record. An opening day upset victory over Vermont Academy proved to be one of the high points of the season for the squad. The win was a truly rewarding and well-earned one, as it represented an outstanding team effort by all the members of the team. Completely dominating first half play, 24-0, the tam coasted to a 30-20 victory.

The following Saturday found Williston traveling to Hotchkiss School. Capitalizing on individual defensive breakdowns, Hotchkiss overpowered Williston by a score of 41-14. The score, however, is not truly indicative of play, for the game was not decided until late in the second half.

The team came back to defeat Loomis, 32-16, only to lose to Taft on the following rain-soaked Saturday by the score of 23-8. The weather proved to be the deciding factor in this bitterly disappointing loss.

Two consecutive victories over Suffield and Wilbraham by scores of 38-15 and 24-8, respectively, left the squad with a 4-2 record going into the final game of the season, with Tabor Academy in Marion, Massachusetts. The game was a hard-hitting, intensely competitive contest — characteristic of the type of play which has always marked the meeting between the two teams since the rivalry began three years ago. Behind at halftime, 25-6, Williston completely dominated the second half, but were unable to pull ahead, with the final score 37-26.

The 1968 season was marked by outstanding individual and team efforts, but more significantly by an intense team spirit as noticeable in defeat as in victory.

The team owes a deep debt of gratitude to Richard R. Francis, Head Coach, and Daniel D. Carpenter, Vincent LoBello, and Alfred Warywoski, assistant coaches, for their unselfish dedication to the team.

Gary Timm breaks through, while Gil Mattheson follows for interference.

FIRST ROW: Lombardo, Majike, Bates, M. Kennard, Plant, Watkins, Dudley, Kenety, Sawyer, P. Kennard, Stearns. SECOND ROW: Dillon, Wolfe, Harvey, Conroy, Zarkowski, Garella, Edgell, Stedman, Hamill, T. Foster, Pytka, Reggie, Shea. THIRD ROW: McCartney, Coach Couch, Coach Davis.

SOCCER

FIRST ROW: Dana Miquelle, Jewitt, Battison, Peck, McMartin, Capt. Handyside, C. Hall, Driver, T. White, McNally, Gilbert. SECOND ROW: Keill, Miner, Munsey, Vasudhara, McKeague, Costello, J. Sullivan, Fisher, MacLeod, Outerbridge, Kitchen, Coach Brown.

Having lost all but three of last year's lettermen, the 1968 Varsity Soccer Team was faced with the trying task of rebuilding. As expected, the team got off to a shakey start, dropping five of its first six games. The defense was ineffective and the offense had difficulty controlling the ball. In the Wilbraham game, however, the tide changed and the Blue & Gold manhandled their opponents, winning by the margin of 5-1. Both the attack and the defense came to life and played impressively.

Undoubtedly the biggest victory of the season was achieved against Suffield, for it was a revenge match. Last year, Williston suffered a heartbreaking 2-1 loss, the only defeat of the entire season. This year, the score was reversed.

After defeating Worcester 4-2, which brought the team's record to a respectable 4-5 mark, Williston lost to Deerfield, beat Kingswood, and lost the final game of the season, a hard-fought, tough game to Mount Hermon, 3-2.

Throughout the season, Matt Peck, '69, Steve Outerbridge '70, and Pete Vasudhara '70 provided a constant scoring threat. Also playing well on offense were Chris Battison '69, Jim McNally '69, Don Kitchen '70, Harry Driver '69, Jeff Gilbert '71, Duncan McMartin '69, Norm MacLeod '70, and Captain Keith Handyside '69. The defense was led by Dana Miquelle '69 and Jim Fisher '69. They were assisted by Mark Munsey '69 and Steve Jewett '69. Chip Costello '71 played magnificently in the goal during the entire season.

A great deal of credit must also be extended to Coach Ray Brown, whose knowledge and instruction helped the boys strive for improvement. Although the season was not a winning one, the team was highly spirited and determined.

CROSS COUNTRY

Fran Killory churns out final steps.

Alan Shaler Memorial Gate

The 1968 Cross Country team, led by four returning lettermen, Captain John Wadsworth '69, Steve Trudel '69, Fran Killory '70, and Allan Miller '70, finished the season with a disappointing 4-5 record. The team easily defeated teams from Vermont, Union, Suffield, and Lenox, while being defeated by strong teams from Hotchkiss, Choate, Loomis, Taft, and Mount Hermon. Although the record does not show it, the team had many skilled runners. The fact that the competition this year was the roughest ever, and that all the difficult meets were away did not aid the Harriers.

After defeating a strong team from Vermont in the first meet of the season, the Harriers lost to Hotchkiss, Choate, and Loomis. The team performed its best against the Union Freshmen, soundly defeating them 25-34. In this meet, Fran Killory broke all former Williston records on the Union course.

After being defeated by a strong team from Taft, 20-38, the team beat Suffield 18-45, and Lenox 23-36. On November 2, at the Choate School, the Harriers competed against thirteen other Class A schools in the New England Preparatory School Track Association's 24th Annual Cross Country Championships. Dualing with the best runners in New England, the team managed to take eighth place. Despite this rough competition, Fran Killory captured the tenth place medal. Killory, being the only underclassman to capture a medal this year, certainly ran his most outstanding race of the season at Choate.

Much credit must be given to Coaches Shaler and Cody for their training of new runners John Meade '70, Jim Bayles '70, and Larry Smith '71, all of whom helped the squad throughout the season. Also helping the team were Crawford Cutts '70, Mike Shapiro '71, and Steve Trudel '69.

Special note should be given to Captain John Wadsworth who led the team with unsurmountable spirit and whose running aided the team. John was awarded the Alan Shaler Cross Country Award for the person who contributed most to the sport. With eight returning lettermen, the Harriers forsee an outstanding season for next year.

CLUBS

Editor Bill Goldstein goes over layouts.

log-

Every year, over one hundred students enter and leave Williston Academy, leaving behind them only fond memories. It is the **Log** that captures the memories of one's life at Williston, and the **Log** makes it possible for each student to remember his years at Williston long into the future.

Early in September, **Log** Editor-in-Chief, Bill Goldstein, and the newly-appointed faculty adviser, Russel Goddard, decided to completely remodel the yearbook. Prospective printers were visited during the first month, and in November the decision was made to change printers. With a printer contracted, the staff then began to completely remodel the **Log.** Not a single facet was left unconsidered. As a result, the 1969 **Log** has had every single section changed from **Logs** of previous years.

With the success of last year's "trial" supplement, the 1969 **Log** will contain a thirty-two page supplement, with much material in full color, to be printed during the summer.

The **Log** staff strove to make the yearbook as informal as possible, but to still capture all the important parts of school life. The informal approach was decided upon in order to enhance the real meaning of school life.

The **Log** has a great responsibility toward the school, and every member of the staff is reminded that his work will be a part of the permanent record of the past year. The work on the yearbook always proves to be an enriching experience for all those involved, and the treasure located beneath this work is an entertaining, informative yearbook for the whole school.

* * * *

A brief Editor's note, which I know everyone is craving to read. But, if you have read this article up until this point, you must be some sort of **Log** fan anyway, and you won't mind reading a little garbage among wisdom. Basically, I want to thank Mr. Goddard for his time and dedication in his first year as adviser. Also, thanks to Mitch, Marie, Ted, and DJK, for his fine ideas and inspiration.

Whitney Wing council members show fine art of disciplining students.

The 1968-1969 Student Council had as one of its main functions the responsibility of serving as an intermediary between the faculty and the student body. The Council is the elected body of government that serves the student, and the student body has entrusted in these boys the job of presenting their views to the faculty and the administration.

Under the leadership of Bill Brown, President of the Student Council, the Council reviewed many petitions and presented them to the administration for approval. Also, the Council served the ever-so-important task of acquainting new students with the campus and the regulations upon their arrival in September.

The Council strove to become less of a police and disciplinary force and to develop themselves into a constitutional body working for the betterment of Williston Academy.

cum laude

Sixty-three years ago at the Tome School in Maryland, Dr. Abrams Harris founded the Cum Laude Society. Today there are two hundred and thirteen chapters of Cum Laude in the United States, Williston being the eighteenth on the chapter roll. The society is similar to Phi Beta Kappa on the college level, and its chief purpose is to promote scholarship and give recognition to outstanding Seniors. Two inductions are held each year, one in February and one at graduation. In order to be eligible for Cum Laude, a student must have maintained an honor record for both his Upper Middler and Senior years, and he must be in the top twenty percent of his class.

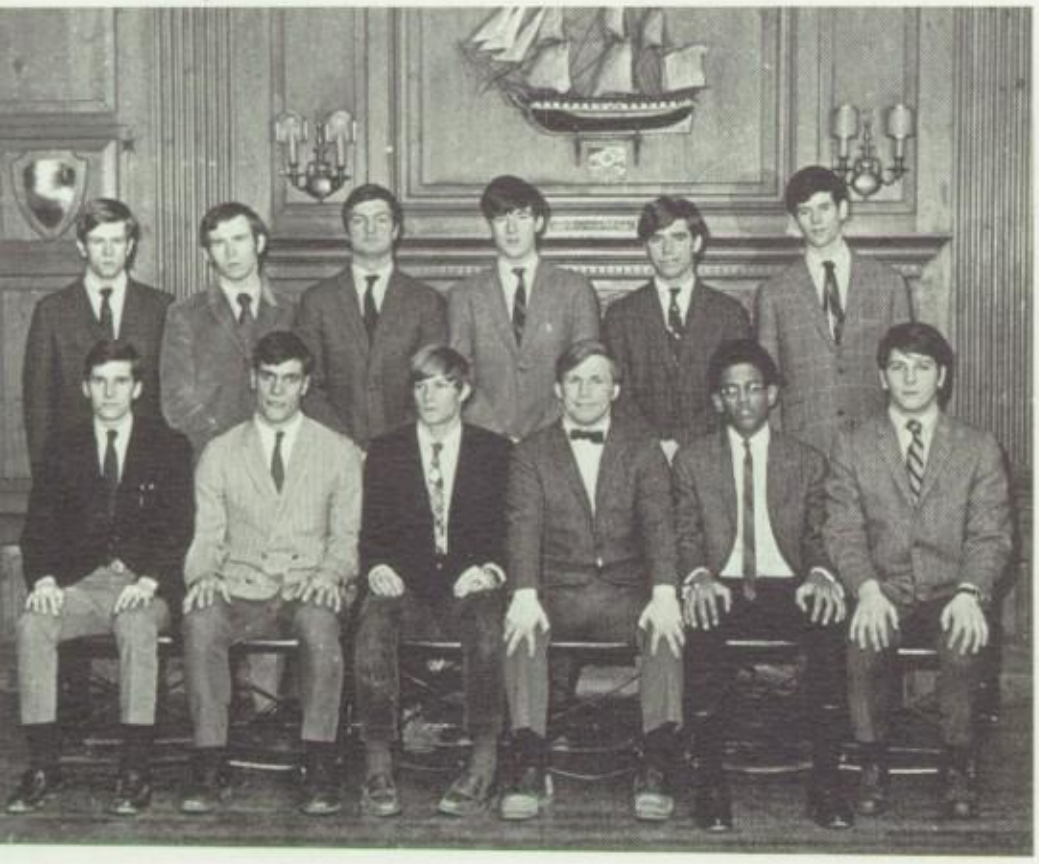
In February, the top ten percent of the eligible Seniors were inducted. Those boys were: Gary Baumer, Reeve Chudd, Bill Eyre, Graham Faiella, Bill Goldstein, Ed Mair, Gary Mysorski, Lansing Pugh, Robert Smith, and James Strycharz. The names of these new members will now appear on the chapter board in the Schoolhouse.

Along with achieving recognition as scholars, Cum Laude members have also gained acclaim in many other facets of Williston life. Among the new members were student counselors, editors of the yearbook and the newspaper, and lettermen from various sports.

At the conclusion of the ceremony, the inductees were presented citations and pins of the Society, marks of academic excellence throughout the world.

Mr. Thorner, Secretary of the Williston chaper of the Cum Laude Society, congratulates Bill Goldstein on election to Cum Laude.

FIRST ROW: Ingersoll, Mattheson, Handyside, Benoit, Green, Kaltsas. SECOND ROW: Cutts, Maid, Gary Timm, Varnum, Rees, Urquhart.



honor committee

The Honor Committee plays an important part at Williston in upholding the honor of the school within the student body. The committee is appointed annually by the faculty after recommendations are made concerning an individual's academic success and, above all, his character.

This year's committee consisted of seven Seniors, six Upper Middlers, and one Lower Middler.

The Honor Committee was under the Chairmanship of Keith Handyside this year. It made clear the rules and regulations of the school, and when a meeting was called, it decided what action should be taken when cases of cheating, plagiarism, and stealing arose.

Fortunately, the Honor Committee met very few times this year, and thus they were able to uphold their motto: "At its best when it does not have to meet."

"Y"-cabinet

The 1968-1969 "Y"-Cabinet at Williston was extremely successful and, although no new endeavors were initiated, the normal procedures were carried out in greater proficiency than in previous years. The main purpose of the "Y"-Cabinet is to provide aid for various organizations, underdeveloped countries, and the three major faiths by the Sunday chapel offering to these groups. Aside from Sunday collections, magazines were gathered throughout the year and sent to various organizations such as the Peace Corps, local hospitals, and rest homes.

Each year, one of the "Y"-Cabinet's greatest responsibilities is the sponsorshop of a foster child. Although this year our Greek foster child turned the age where he could not be sent any more money, the "Y"-Cabinet is looking for a new foster child to support. Through the funds made available through raffles, sales, and general donations, the "Y"-Cabinet makes books, food, and clothing available to the foster child, who cannot afford these articles. Along with these items, each member of the "Y"-Cabinet writes a personal letter to the foster child.

Again as in previous years, the "Y"-Cabinet sent funds to help build a school in an underdeveloped section of Alabama. Also, the "Y"-Cabinet directed its own service, consisting of a sermon and prayer written and performed by interested students.

Under the guidance of Reverend Roger A. Barnett and the leadership of Edward Milkey, President, Larry Ferguson, Vice-President, and Harry Driver, Secretary, the "Y"-Cabinet did an excellent job this past year.

FIRST ROW: Becker, Shapiro, Shafer, Milkey, Green, Hustace. SECOND ROW: Ferguson, Eyre, Bronos, R. Smith, Reichenbacher.

Glee Club

Once again, the Williston Academy Glee Club has enjoyed an enriching and successful year. Under the direction of Henry Teller, the club has been regarded as one of the best prep school glee clubs in New England.

One highlight this year was the first annual Pioneer Valley Festival at Amherst College in February. The glee clubs of Williston, Northampton School for Girls, Mount Hermon, and Northfield School for Girls participated. They performed compositions of George Handel and Aaron Coplend. In addition, each club sang its own repertoire. This festival replaced the traditional Northfield Music Festival.

The Williston Glee Club no longer functions as a chapel choir due to a change in school policy. As a result, the Glee Club was able to concentrate on more popular pieces, including "Georgy Girl," "Love is Blue," "Vive L'amour," and others.

In the Spring, the Glee Club enjoyed a full season of concerts. The club gave a concert at the Southampton Congregational Church as well as performing with Northampton School for Girls, Ursaline Academy, MacDuffie School for Girls, and Fox Hollow.

Next year, the Glee Club hopes to travel to Bermuda, the Bahamas, and the Virgin Islands during Spring vacation.

Mr. Henry Teller, who deserves much credit for his unselfish dedication to the Glee Club.

Vermont	67	74
Cushing	83	88
Deerfield	72	70

The Varsity Basketball team ended its 1969 season with a somewhat disappointing 3-12 record. This record, by no means, gives any true indication of the talent and desire displayed by the team. Sparked by the return of two lettermen and the addition of several Junior Varsity players and three new boys, the team looked forward to a promising year, substituting speed, passing, and shooting ability for the height and rebounding ability that they lacked. Although they made a poor showing at the Kingswood Tournament in December, the three games that they did win exemplified their potential ability.

The team's first win came against Kingswood School on January 25, On-Campus Weekend here at school. The Wildcats were in command of the game from the start as Gordon Sullivan '69, was instrumental in the win with twenty-seven points. The superior driving ability of Tom Varnum '70, and Crawford Cutts '70, along with the rebounding strength of Jay Leet '69, provided a devastating fast break which kept Williston ahead at the buzzer, 67-53.

The Varsity's next win came against Vermont on the Long Weekend, February 15, before a small but cheerful crowd. Jay Leet, Tom Varnum, and Captain Gene DeFelippo 69, led the team to its second victory. The game was very close, being won only in the final minutes when the "Blue and Gold" managed to successfully score to make the game 71-67 at the buzzer.

The "Blue and Gold" came very close to winning three other games, losing to Hopkins Grammar 75-72, Mount Hermon 79-77, and in overtime to Cushing 88-83, all three at home and all thrillers that came down to the final minute of the game.

The best game the Varsity played was away against Deerfield on Saturday night, March 1. Deerfield had previously defeated the Varsity at Williston, and the Wildcats were looking for a victory to avenge their earlier loss. Down by four points at halftime, 37-33, the Wildcats managed to gnaw away at the lead and settle it at 52-52 by the end of the third quarter. Williston then took command of the game and successfully used a stall, looking only for layups. Bob Smith '69, made a basket in the final minute to put Williston ahead 72-70. Deerfield was unable to score again, and the "Blue and Gold" won their third game in a thrilling finish, 72-70. Four of the starting five players hit for double figures, with Tom Varnum leading the way with twenty-two points. This win against the "Green Machine" turned out to be the perfect ending to a long basketball season.

On the year, it was Gordy Sullivan who led the team in total points with 253 for a 16.9 average. He also won the foul shooting award, sinking thirty-six out of fifty attempts for 72%. Gene DeFelippo was second in points with 177 for a 13.6 average, while Jay Leet and Tom Varnum took third and fourth spots with 158 points and 154 points respectively for 10.5 and 10.3 averages. Jay Leet won the Dale Lash Trophy Award, given to the player whom the team and coach feel has displayed the most desire and improvement during the basketball season.

Next year Coach Francis will have to depend on returning lettermen Tom Varnum, Captain-elect for 1970, Mark Kennard '70, Mark Beauregard '70, and Crawford Cutts to provide the nucleus of the team. The prognosis looks promising for the experience which each boy gained this year will certainly show in his play next year and provide the "Blue and Gold" with a successful season.

varsity hockey

FIRST ROW: T. Crowe, W. Brown, deShong, MacLead, Captain Greeley, Peck, Ahlberg, R. Brown. SECOND ROW: Drakos, McWilliams, Longley, Goldbloom, Coach Carpenter, Osgood, Kaltsas, J. Greeley, E. Anderson.

The 1968-1969 Williston Hockey team had one of its toughest schedules in the past decade by playing such teams as Choate, Taft, Tabor, and the Williams Freshmen. The team may be considered as having had a building year, for they had only four returning lettermen. Three of them, Captain Sam Greeley, Norm MacLeod, and Marc deShong held down the first line; Bill Brown, the fourth returning letterman, anchored the defense. New members of the team in their first year at Williston were Matt Peck, John Longley, Mike Goldbloom, and Rick McWilliams, and they contributed greatly throughout the season.

The two high scorers this season were Sam Greeley '69, and Marc deShong '69, both having thirty-nine points. They did an excellent job leading the team scoring goals at the most crucial times. They both have good college potential and should be very successful in the future. Next highest scorer Norm MacLeod '70, next year's Captain, had thirty points and should greatly benefit the team next year with his leadership and scoring potential.

The season opened with the team taking last place in the Williston Invitational Hockey Tournament, behind Mount Hermon, Tabor, and Loomis. This brought the team to the realization that a very tough schedule lay ahead and that they must get down to hard work in order to have a successful season.

The regular season play started, and the team lost six of their first eight games to powerhouses such as Tabor, Choate, and Taft. Despite this discouraging first half of the season, the team pulled itself together and won five of its last six games. They easily defeated Vermont, Cushing, and Westminister, also handling Mount Hermon in an excellent night game here.

The success of the season can be viewed through the fact that the team handed Mount Hermon an 8-6 defeat in the next-to-last game of the season. Previously, Mount Hermon had beaten Williston 5-3 and 5-4, and they had lost only three games throughout the season, playing some of the finest teams in New England. This victory made all of the hard work worthwhile. Mr. Carpenter's coaching was well appreciated by all the boys, and all were very gratified by his efforts.

The majority of the team will be returning next year, and there will be much valuable experience on the team. With the choice of players from the minor teams and this year's underclass lettermen, next year should be a very rewarding one.

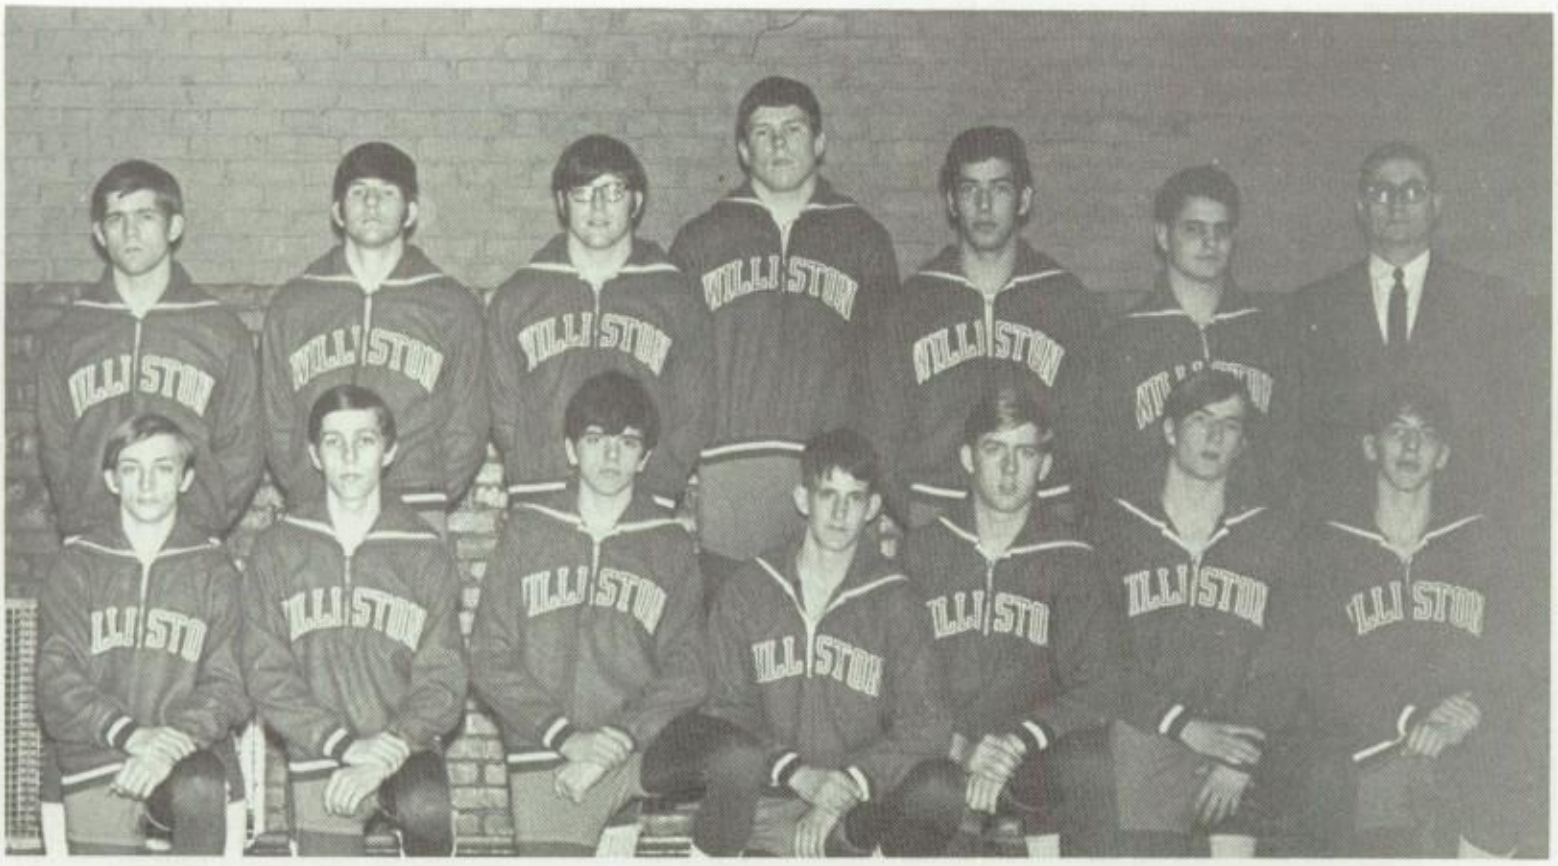
Wrestling



FIRST ROW: Rowley, Goldstein, Kattar, Koch, Merritt, Hemenway, Dudley. SECOND ROW: Captain Hall, Martin, Captain Newcomb, Newton, Sotirion, Bassett, Coach Knauf.

Varsity Wrestling

The 1969 Varsity Wrestling team finished the season with a 5-6 record that was marked by a very strong and rewarding second half of the season. With only four returning lettermen to fill twelve Varsity positions, Mr. Knauf went to last year's Junior Varsity and new boys to fill these positions. Because of the size of wrestling group, Mr. Knauf has the chance to give much personal attention to all of his wrestlers.

The team lost its first match to the New Hampshire State Champions, Keene High School, 30-12. On Saturday night, January 18, the Grapplers traveled to Suffield and were handed their second straight defeat in a hard fought match. Suffield had been undefeated and the Connecticut State Champions for the past two years.

The team's first victory came against Pittsfield High School, 26-16. Michael Hemenway won his third consecutive match, and Bill Sotirion won his second match in a row.

The next two matches proved to be very disappointing, as the wrestlers proceeded to lose both, to Choate and to Tabor by scores of 26-19 and 25-17, respectively. Jim Koch, though, continued his winning streak through these two matches, tallying his third and fourth consecutive victories. The team wrestled Loomis on February 12, and with the score 19-19 before the heavyweight match, Mark Newton, in his first year of wrestling, pinned his opponent, giving Williston a 24-19 victory.

The Grapplers dropped their next two matches to Mount Hermon, 33-11, and to Wilbraham. Jim Koch continued winning, and he brought his record to 7-1.

With their record 2-6 as of the middle of February, the Wrestlers won their next three meets in strong form. They beat the New England Class C Champions Monson by an overpowering score of 38-5. The team swept every match from the 121 lb. class up. Kevin Kattar and Chuck Merritt registered falls for Williston.

The highlight of the season, and one of the highlights of the past few years, came on Saturday, February 22, at the Williston Gymnasium. The Grapplers faced Andover, who had lost only to undefeated Tabor, and who boasted of victories over Mount Hermon and later in the season, Exeter. Scott Rowley, wrestling 110 lbs., pinned his opponent, sending Williston off to a 5-0 lead. Bill Goldstein earned a draw at 115 lbs., and Jim Koch continued winning at 121 lbs. Jerry Hall's victory at 145 lbs., Steve Martin's at 152 lbs., and David Newcomb's win at 177 lbs. gave Williston a 21-16 lead going into the heavyweight match. Mark Newton lost a tough, hard-fought match, but Williston arose victorious, 21-19. The regular season competition was closed out with a victory against Worcester. Jim Koch won his tenth match in a row, as he registered a pin.

For the next ten days, the team worked on many drills in preparation for the New England Class A Championships.

On March 8, the team went to Mount Hermon for the tournament. They placed fourth, Williston's highest ever, behind Tabor, Mount Hermon, and Worcester. Scott Rowley placed fourth at 115 lbs., Bill Goldstein placed fifth in the 110 lb. class, Kevin Kattar was fifth at 127 lbs., Mike Hemenway fifth at 138 lbs., Jerry Hall third at 145 lbs., David Newcomb third among very tough competition at 177 lbs., and Mark Newton was sixth in the heavyweight class. Jim Koch and Bill Sotirion were in the finals of the 121 lb. class and the 167 lb. class, respectively. Jim won the New England Championship, defeating his opponent 6-0, and Bill Sotirion placed second.

The season was very worthwhile, and much credit must be given to Coach Don Knauf. Wrestling is a sport that is relatively new, and almost all the wrestlers have learned all that they know under the fine and able direction of Coach Knauf. With only three Seniors graduating, the Grapplers look forward to a strong 1970 season.

THIRD ROW: Coach Tyler, Garbus, Conant, A. Brown, Bayles, Stearns, Bushey, Coach Babcock.

SWIMMING

The 1968-1969 Swimming team finished the season with an 8-4 record, due to three very close losses to Harvard Freshmen, Deerfield, and Dartmouth Freshmen. The team also bowed to the always powerful Yale Freshmen. Williston accumulated their eight wins by defeating such teams as Andover, Springfield College Freshmen, and a big win over the West Point Plebes.

In the last competition of the season, the New England Interscholastics, Williston placed first, smashing second place Deerfield. This victory gave Coach Babcock his seventh consecutive New England Championship. Outstanding performers in that meet were freestyle aces Jim Bayles, Mike Hanafin, Tom Marantz, breaststroker Bob Christensen, and diver Jack Nicholson.

Led by Co-Captain John Hellebush and Harry Driver, the team traveled to the Eastern Interscholastics which are annually held at Lawrenceville. Competing against the best prep school teams in the country, Williston placed sixth with home team Lawrenceville the victor. Doing fine jobs were sprinter Drew Brown, individual medley and backstroke specialists Jerry Wallace, freestyler John Meade, and relay ace Mark Berman.

This year's success can be attributed to the team's great depth and hard work combined with several outstanding individuals. Among those are next year's Co-Captains Dick Winters and John Meade.

Williston graduate and former All-American swimmer David Tyler has assumed the position of assistant coach under Mr. Babcock. His valuable coaching and dedication was instrumental in the team's succes this year.

With all but three lettermen returning next year, the team, as well as Coaches Babcock and Tyler, are looking forward to an excellent season in 1970.

Bill Passburg manuvers through gate.

After placing third in the first meet of the season, the Varsity Skiers combined a lot of hard work, determination, and spirit to produce a very successful 11-3 season. With the exception of Phil McKeague '69, Mr. Donais' team consisted only of members of the lower half of last year's Varsity and some of last year's Junior Varsity team. But the team quickly developed great strength and depth. The nucleus of the team was comprised of Captain Phil McKeague, John Bergen '69, Jeff Shearer '69, Steve Goldberg '70, Terry Johnson '70, Ned Mulligan '71, and Jim Klopman '72. This strong center, as well as the added strength of Jon Dayton '70, Dick Maid '70, and Richard Chase '71, contributed to produce a high calibre of competition.

Perhaps the single most important factor in the success of this year's team was the effort of Mr. Donais. Before the actual season had even started, Coach Donais expanded the size of the schedule to almost double that of last year's and initiated a rigorous pre-season conditioning program of running, soccer, and calisthenics. Throughout the season he helped by analyzing technique problems. Setting up many practice courses, organizing meets, and even driving the bus were also included among Mr. Donais' contributions to the team. There was hardly a day that Mr. Donais was not the last one to leave the slopes.

Of great assistance to Mr. Donais were the assistant coach, Mr. Keeler, and the hard working managers. Primarily, Mr. Keeler coached the Junior Varsity team, but he also assisted with the running of the Varsity meets. Head Manager Marc Goldstein '69, was one who donated tremendous assistance in organizing many of the team affairs, as were Hap Haven '70, Greg Creedon '70, and George Fisher '70.

After the first eight meets, the team went to the Tri-States at Catamount with an 8-3 record and high hopes of doing well. After the slalom, however, Phil McKeague was the only man to place for Williston, with a very strong fifth. In the Giant Slalom the following Wednesday, there were many problems for the team, and at the end of the day, no one had managed to finish well. After the Tri-States, the team hosted three more meets and with a revival of morale, managed to win all three and finish the season with an 11-3 record. Although three tough meets were cancelled everyone felt that the team could have maintained their record against those teams, especially after they had defeated Cranwell, one of the only teams that beat them during the regular season.

As a team, everyone worked especially hard this year, and Mr. Donais and Mr. Keeler provided excellent coaching. Phil McKeague proved to be a very enthusiastic and devoted Captain, and every member of the team did his share of the work. The result was a great season for everyone.

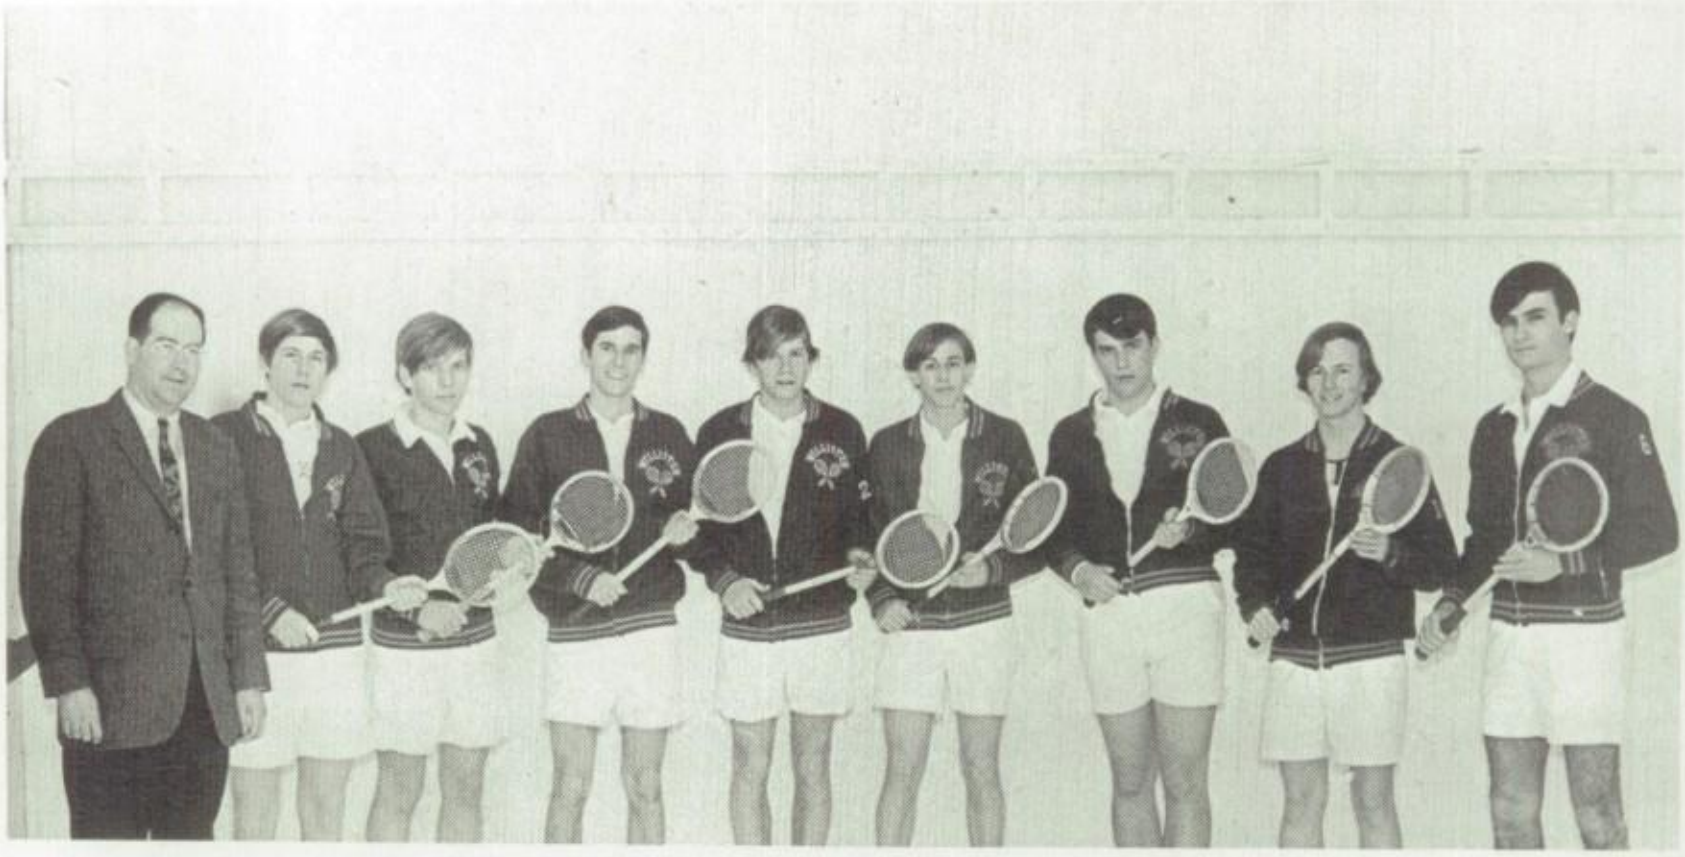
varsity squash



Coach Lawton, B. Eyre, Gubner, Ingersoll, Conway, Gerald, Bates, Morgan, Clark.

For the second season in a row, the Williston Squash team has had an excellent record. With good ability, consistent playing, and the painstaking coaching of Mr. Edward Lawton, the Squashers chalked up a tally of seven wins and two losses.

Tim Morgan '71, Co-Captain Harlan Isgur '69, Rick Lauter '69, and David Bates '70, made up the formidable four who were the spearheads for most of the Squasher's attacks. However, Brian Conway '70, played consistently well, and was followed closely by Peter Clark '69, Dick Gubner '70, Co-Captain Andy Gerald '69, Bill Eyre '69, and Bob Ingersoll '69.

Suffering a loss early in the season at the hands of the Williams Freshmen, the Squash team came back strongly to win their next four meets. The Trinity Freshmen team was the only other one to give Williston a difficult time on the courts. The team came on surprisingly strong against both the Choate and Deerfield J.V.'s, defeating them soundly on both their courts and at home. Amherst High School supplied Williston with two relatively easy victories.

Next season holds the potential for another fine outcome, with four letterwinners returning, along with many other promising players.

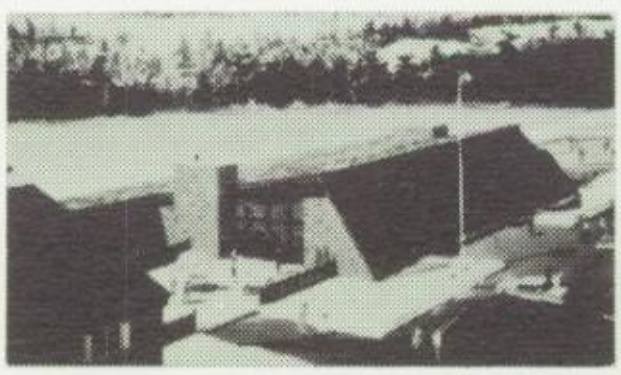
Imagine a beautiful 1400 ft. private beach and marina on Lake Winnepesaukee, N.H...

add a magnificent clubhouse with a heated indoor swimming pool, sauna baths and restaurant in ski country...



with secluded homesites...and that's only part of Gunstock Acres' unique, private, year-round vacation community.

Everything about Gunstock Acres is superior. Property owners have the remarkable benefit of ownership in the Gunstock Association. This includes the 1,400 ft. beach, clubhouse, tennis courts, skating rink, lodge with game rooms, young peoples area, playground, toboggan runs and riding trails.

Next door is the famous Gunstock Ski Area for ideal family skiing. The scenery at Gunstock is superb with spectacular views of island studded Lake Winnepesaukee and the Presidential mountain range.

Homesites are ideally situated and careful planning and property rights guarantee they will retain their rustic, secluded qualities forever.

These unusual extras are also included. A central water system is available at every homesite with fire hydrant protection, and completely paved roads maintained year round plus our own security patrol for your protection. Gunstock is considered by marketing experts as the finest development in New England.

Gunstock Acres must be seen to be appreciated. It is truly the ideal place for you and with automatic ownership in the Gunstock Association you needn't wait to enjoy its benefits.

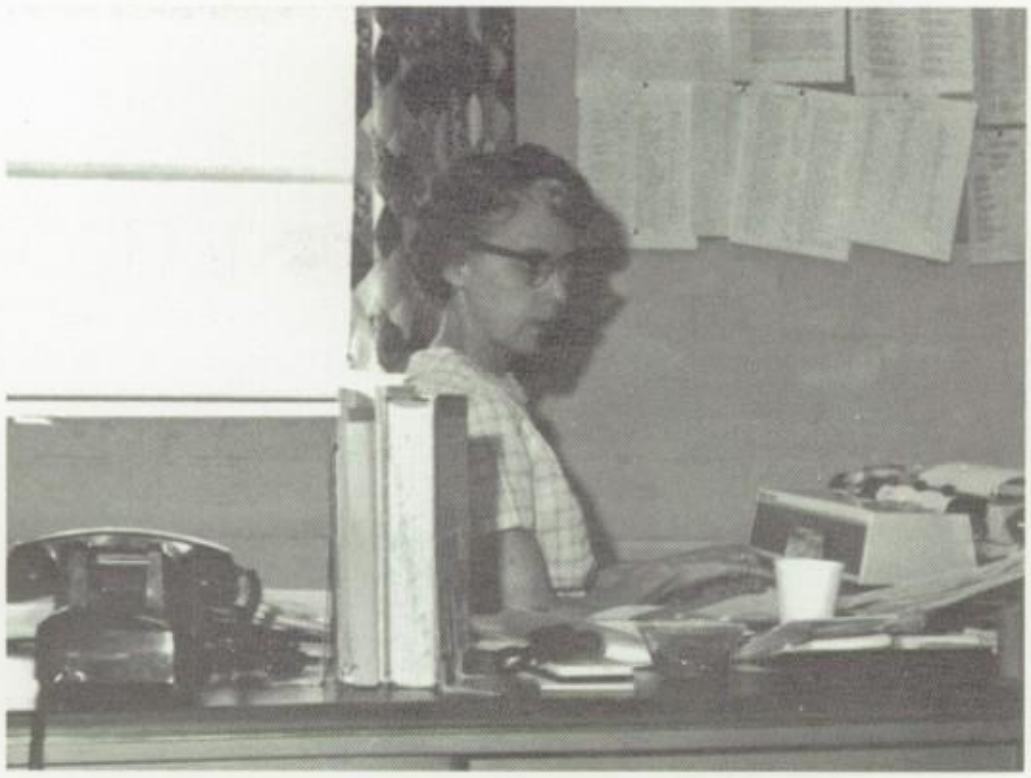
SECRETARIES

Without a doubt, one of the main lines of Williston's bloodstream is the secretaries. These devoted women, who work all the year round, play the part of sustaining Williston's records and communications. Unlike the teachers, the secretaries do not come in as close contact with the students, but their work is appreciated by all. We of the **Log** staff did not get to work personally with many of the secretaries, but we did work along with Mrs. Banas, whom we would like to single out for her time and devotion to this yearbook. Mrs. Banas has been one of the greatest blessings that we could wish to find, and we all thank her. With this, we pay homage to these women who mean so much to Williston.

Mrs. Eleanor Banas, Secretary to Mr. Baker.

Mrs. Julie Rabideau, Secretary to Mr. Stevens.



Mrs. Sue Johnson, Secretary to Mr. Babcock.

Mrs. Marion Montague, Business Office Secretary.

Miss Anne Tourville, Academy Accountant.

Mrs. Shirley Mullaly, Secretary to Mr. Moulton.

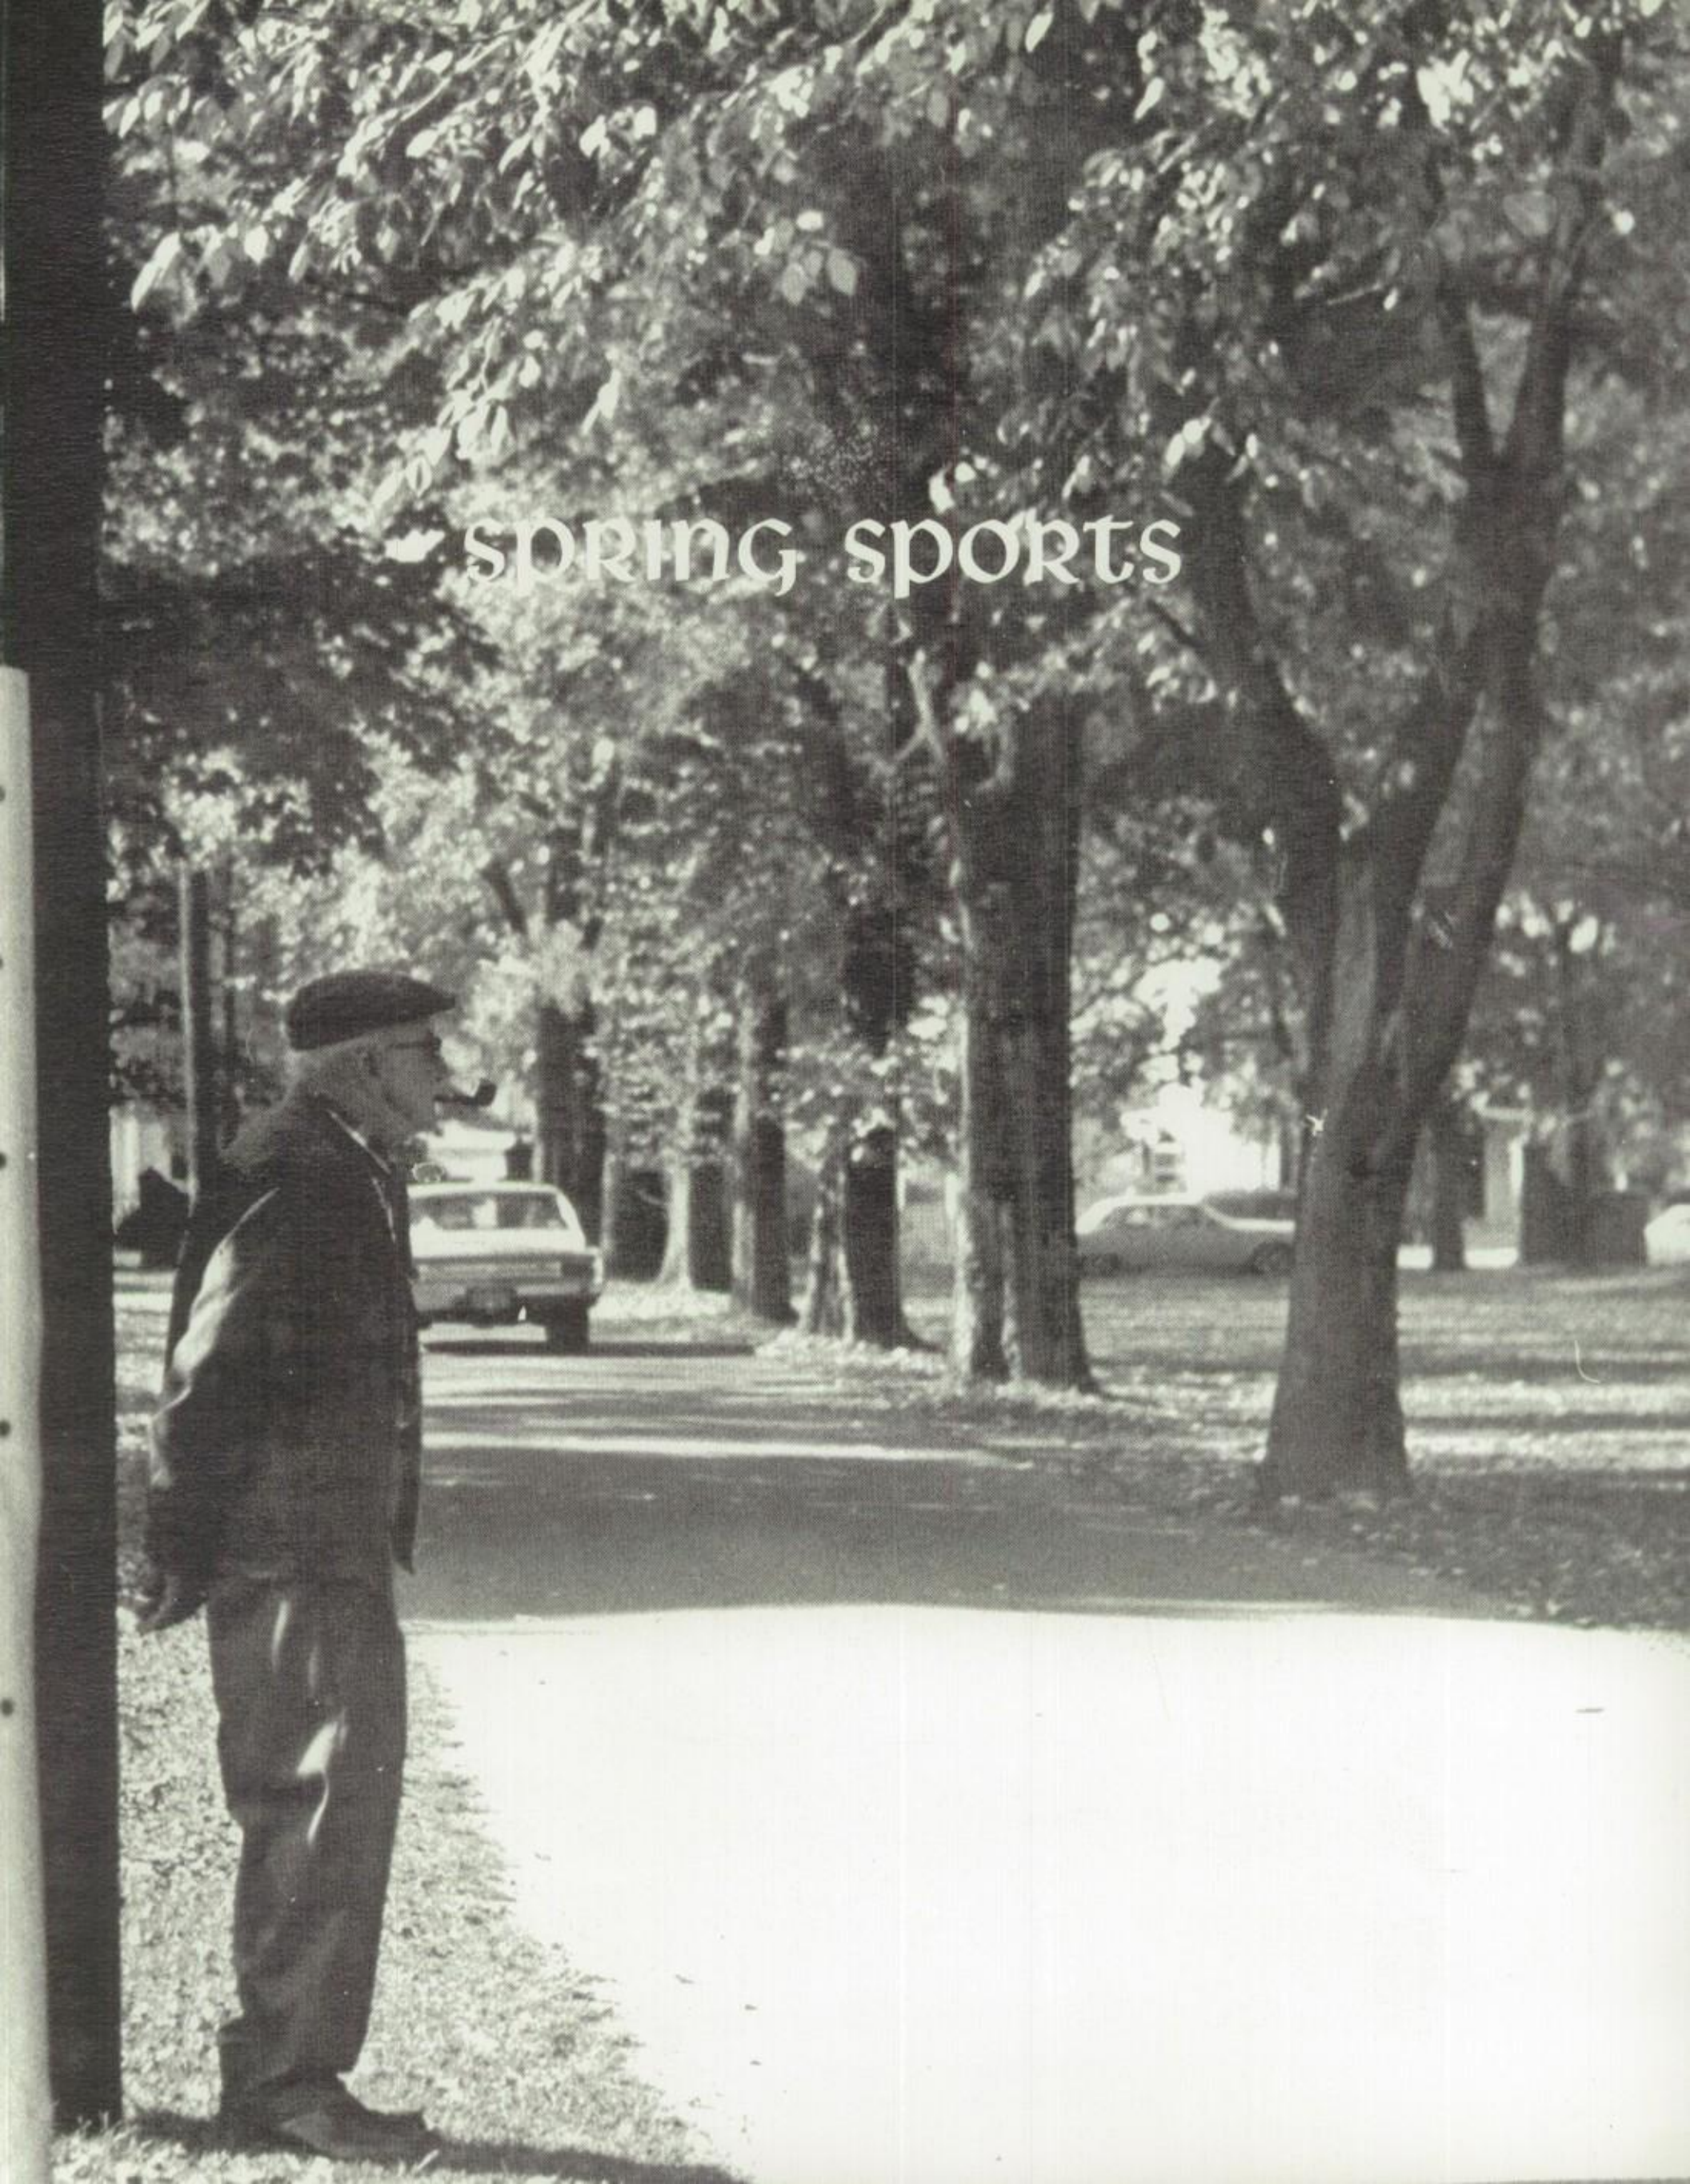
Mrs. Betty Waldo, Secretary to Mr. Stevens.

Mrs. Helen Coleman, Secretary to Mr. Moulton.

Mrs. Maybelle Emerson, Secretary to Mr. St. George.

Miss Alice Merrick, Receptionist.

Mrs. Alice Zumbruski, Secretary to Mr. Babcock.



SPRING SPORTS

lacrosse

The 1969 Lacrosse team suffered a fate worse than that ever experienced by a Williston Lacrosse team, or any team for that matter. The Lax team played eleven games, and had a respectable output of thirty-six goals. Unfortunately, their opponents scored one hundred and three goals, and more than Williston in every game. It was the first season as Head Coach for Michael Michaeles, and he considers the past season as a "building season."

The first loss came at the hands of Kingswood, 10-1, followed by a 7-3 loss to Mount Hermon. Then, in their best performance of the year, the Wildcats lost to Mount Hermon by only 5-4. The losses progressed, but the team, very admirably, never lost all their spirit.

Although team performance was lacking, there were many outstanding individual performances by various members of the team. Ted Benoit was excellent in all aspects of the game, although constantly plagued by injuries. Seniors Bill Brown, Haynes Whitney, and Bill Gaffey played an intricate part of both the offense and the defense, and their loss next year will be strongly felt. But they were backed up by many strong underclassmen whose services will be available next year. Among those underclassmen, Jeff Gilbert, Terry Johnson, Chris Zamore, Dale Miquelle, and Peter Skinner proved themselves outstanding. With thirteen of the team's members returning, the team looks forward to a successful season, and they possess high hopes of winning some games.

Golf

The Varsity Golf team ended its 1969 season with an impressive record of 9-3. This was the best record posted by a spring sports team and the most satisfactory for Coach Robert Varnum '60. This year brought the golf team's record to 30-10 over the past four years. Certainly this indicates the superior leadership displayed by Coach Varnum. The team showed excellent depth with particular strength demonstrated by Captain Jim Moffett '69 and Jim Strycharz '69.

The team was composed of four Seniors and four underclassmen. The Seniors were Jim Moffett, Jim Strycharz, Bob Filmore, and Bill Goldman. The underclassmen making up the rest of the team were Ned Mulligan '71, Neville Cramer '70, George Smithy '70, and Bob Green '70. These boys will provide next year's team with a strong and experienced nucleus. Several boys from the Junior Varsity, such as Bill Lazar '70, Tom Robertson '70, and Randy Lilly '70, should add strength to the lower positions.

This year marked the first time that Williston played both the Amherst College Freshmen and the UMass Freshmen as well as Deerfield's newly developed Varsity. The team lost three very close matches during the season, 4-3 defeats to Mount Hermon, Amherst Freshmen, and Deerfield. Objectively speaking, the competition this year has been much keener on the Preparatory School level.

Rather than list the victories which the team posted this year, some of the cherished moments, which still linger in the minds of those who played golf at Williston, shall be recalled: opening victory against Deerfield, 4-3; Mr. Varnum's movie-making projects; Mr. Knauf's new haircut and psychological effect upon the opponents; a 5½-1½ grudge victory over Mount Hermon; Suffield's Philco Milner '69 and his hole-in-one against Captain Jim Moffett; Jim Strycharz's impressive 9-1-1 individual record; joke names such as Punk, Hondo, Jimbo, Gertrude, Skobo, Neddis, and a host of others; Williston's victory against Wilbraham on Parents' Day; "Freddy Film" and his MGM products; John Strycharz, the pro, and his angry flair-ups at Williston boys; Bill Goldman and his hair — "either a hat or a haircut," said Coach Varnum; the ridiculous hat!; Ned's walk back to the campus to cool off; and last, but not least, "How sweet it is!"

This golf season has been one of the most enjoyable for the members of the team and the coaches. The reason for this rests upon the effect of the word "relax." Golf is a fun sport and should be enjoyed as "relaxation." Had it not been for the help and advice of Coaches Robert Varnum and Donald Knauf, the year would not have been as much fun, and the team would not have enjoyed the degree of success which it did.

Neville Cramer demonstrates his powerful backswing.

M.I.T Interscholastic Championship	16th of 16	

FIRST ROW: Chase, Robbie, Bolles, Drakos. SECOND ROW: Mr. Wilson, Fisher, Goldsher.

Junior Varsity Sailing

The Varsity Sailing team, under the able direction of Dr. David Stevens, finished the season with a respectable 6-3 record. The Sailors lost their first meet to St. George's by the score of 4-1, but rebounded with a strong early-season burst to capture the next three meets from Choate, Laurel Crest, and Worcester, by scores of 3-0, 37¾-26, and 3-0, respectively. After being shut-out by Proctor, 0-3, the team bounded back with back-to-back 3-0 victories over Mamaroneck High School and Mount Hermon.

One of the biggest meets of the year always proves to be Tabor, and this year was no exception. Williston, however, came out on the short end of a 1-3 score. The meet was a close, hard-fought battle, though, as is always the case whenever these two teams meet, regardless of the sport. In the final regular meet of the season, the Sailors defeated a strong team from Lenox, 50-30.

On Saturday, May 24th, the team made its annual trip to Boston for the M.I.T. Intercholastic Championships. The breeze on the Charles must have been blowing the wrong way, for the Sailors had their problems and finished 16th in a field of 16.

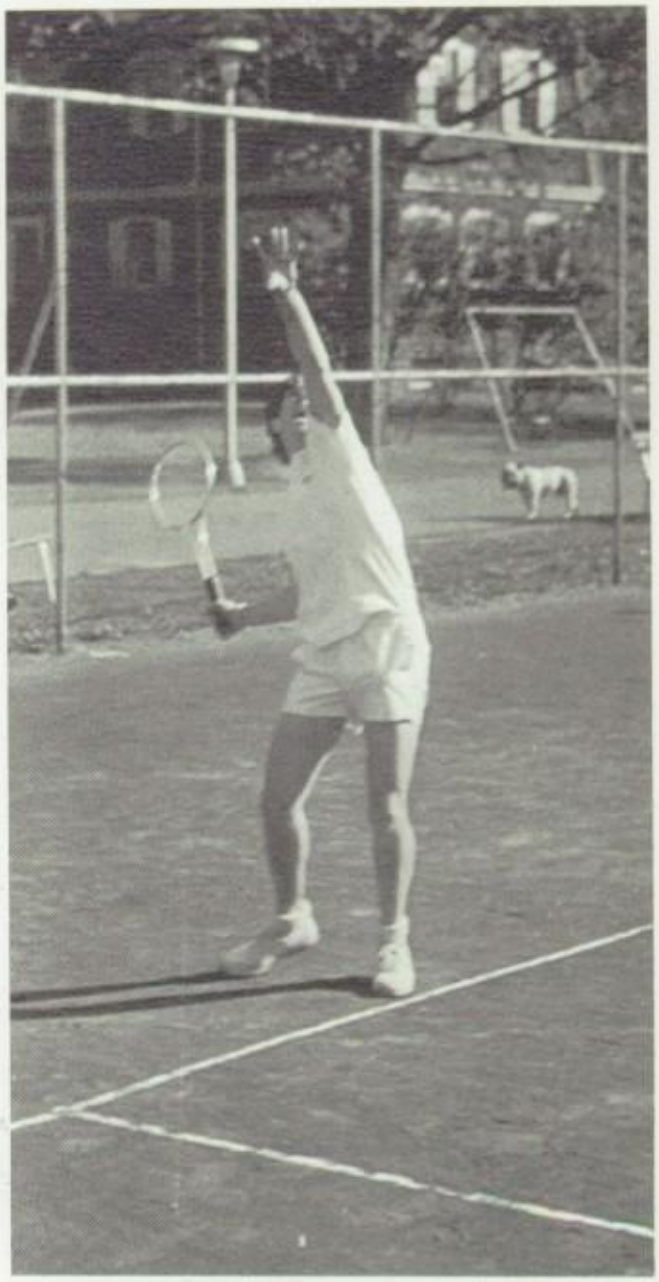
Overall, though, the season was a great deal of fun for the Sailing team, and much was learned by all. Much credit is due to Dr. David Stevens and his assistants, John Wilson and Peter Richmond, for their guidance. Also, Captain Larry Ferguson contributed much fine leadership and experience. Seniors Ted Milkey and Gary Baumer and Middler Don Kaufman assisted Larry in his leadership.

For the second consecutive year, the Varsity Tennis team compiled an excellent record. The able coaching of Mr. Archibald Hepworth along with good team depth enabled the team to compile a 6-4 record.

There were four returning lettermen from the strong team of last year: David Guernsey '70, David Bates '71, Captain Andy Gerald '69, and Ken Supman '70. These four took over the top positions on the team, and their consistently strong play was responsible for much of the team's successful season. Filling out the squad were Alex MacFarlane '70, Butch Susskind '71, and Jim Fisher '69. These three sparked the team with their consistently determined play. Also members of this year's squad were Bill Cuellar '70, Steve Outerbridge '70, and Steve Martin '70. They will be looked to next year to strengthen the team.

The team started its season with an easy win over Vermont and hopes for an excellent season. But this was followed by a loss to Loomis and a 5-4 loss to Mount Hermon. The team bounced back with four straight wins, over Lenox, Suffield, Wilbraham, and a 7-2 revenge win over Mount Hermon. Westminister then caught the netmen on a bad day, but the team followed this defeat with a strong win over Deerfield. The season ended with a loss to a strong, undefeated Kingswood team.

The outlook for next year is very promising. Only one letterwinner will not be returning, and a very strong nucleus remains. The team is looking forward to improving on this year's record.



Andy Gerald prepares to serve.

distance for Williston, put a stop to the Suffield scoring punch as he fanned six in the last four innings.

The Wildcats' offensive game came to life in the third inning when four runs on hits by Gary Timm and Bob Smith were scored. In the fifth inning, Smitty again sparked the Williston hitting department when he blasted a two-run homer to put Williston ahead 6-4. Phil McKeague put another ball over the fence bringing in three more runs in the sixth inning. Bob Smith was the power hitter as he batted 4-4. Other outstanding hitters were Gil Mattheson, batting 2-4, and Gus Pietraskiewicz, who went 2-5. Overall, Williston's eleven hits and fine pitching by Chip Costello were the deciding factors in the win.

Williston defeated Deerfield in a very close game by the score of 12-8. The win was credited to Williston's heads-up play. Chip Costello started off for the Wildcats and was relieved by Gus Pietraskiewicz in the seventh inning. At the end of five innings, the game was tied at 3 apiece. The Wildcats rallied for four runs in the sixth inning to make the score 7-3. Deerfield came back in the seventh inning to tie up the game at 8-8. In the eight inning, Deerfield scored one run to put them ahead by 9-8. But the Green Machine was unable to keep its lead as the Williston offense exploded in the ninth inning to make the score 12-8.

Hitting well for Williston were Gus Pietraskiewicz, Bob Smith, Phil McKeague, and Gil Timm. Gus Pietraskiewicz and Gil Timm each had 3 RBI's. On defense, Gus Pietraskiewicz led the team with eleven put-outs.

The team must thank Mr. Carpenter, Captain Bob Smith, and Gil Mattheson for their valuable leadership.

BASEBALL

The 1969 Varsity Baseball team, under the direction of Coach Carpenter, had a successful season with a 7-5 record. The team was sparked by the four returning letter winners: Captain Bob Smith '69, Phil McKeague '69, Chip Costello '70, and Gary Timm '70.

On defense, catcher Gil Mattheson '69 led the Wildcats with putouts. Bob Smith was the big man in the hitting department with a .311 batting average.

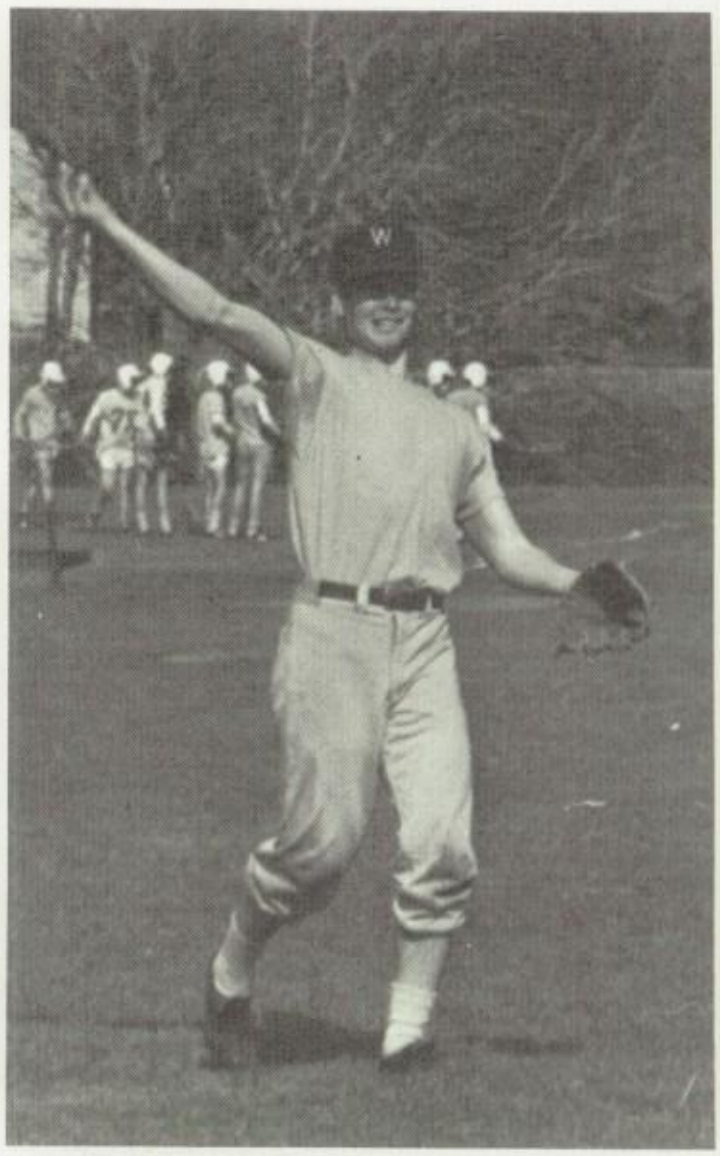
Pitching for Williston were Chip Costello and Gus Pietraskiewicz '70. Both hurlers had winning seasons, Chip with a 4-3 record and Gus with a 3-2 record.

The infield consisted of Phil McKeague and Rick Leveille '71 alternating at third base, Gary Timm '70 at shortstop, Mark Shapiro '69 and Toot Green '69 alternating at second base, and Chip Costello and Gus Pietraskiewicz alternating at first base. In the outfield were Rick Levielle, Paul Jacobson '71, Bob Smith, and Gil Timm '72.

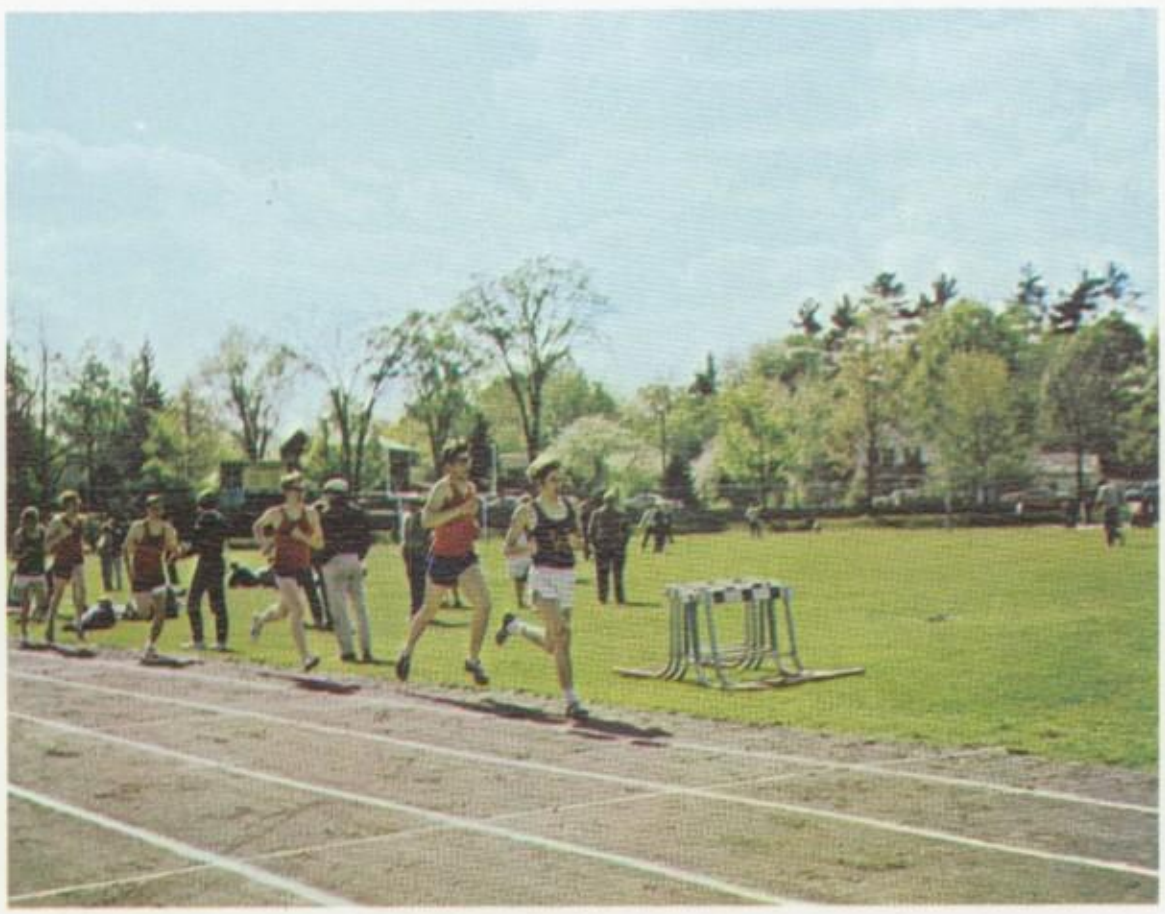
After opening the season with a 5-3 win against Kingswood, the Wildcats lost to Loomis and Mount Hermon. The team defeated Vermont and then lost to Choate and Wilbraham. In the second half of the season, the Wildcats had a four game winning streak as they defeated Suffield, Cranwell, Cushing, and Deerfield. Williston then lost to Mount Hermon and finished the season with a win against Assumption. The highlights of the season were the wins against Suffield and Deerfield.

Williston downed Suffield by the score of 11-6. The game, played at Suffield in front of a large Suffield crowd, was by far the Wildcats' finest offensive game.

Suffield took an early lead in the game as they compiled four runs in the first three innings, but Chip Costello, going the

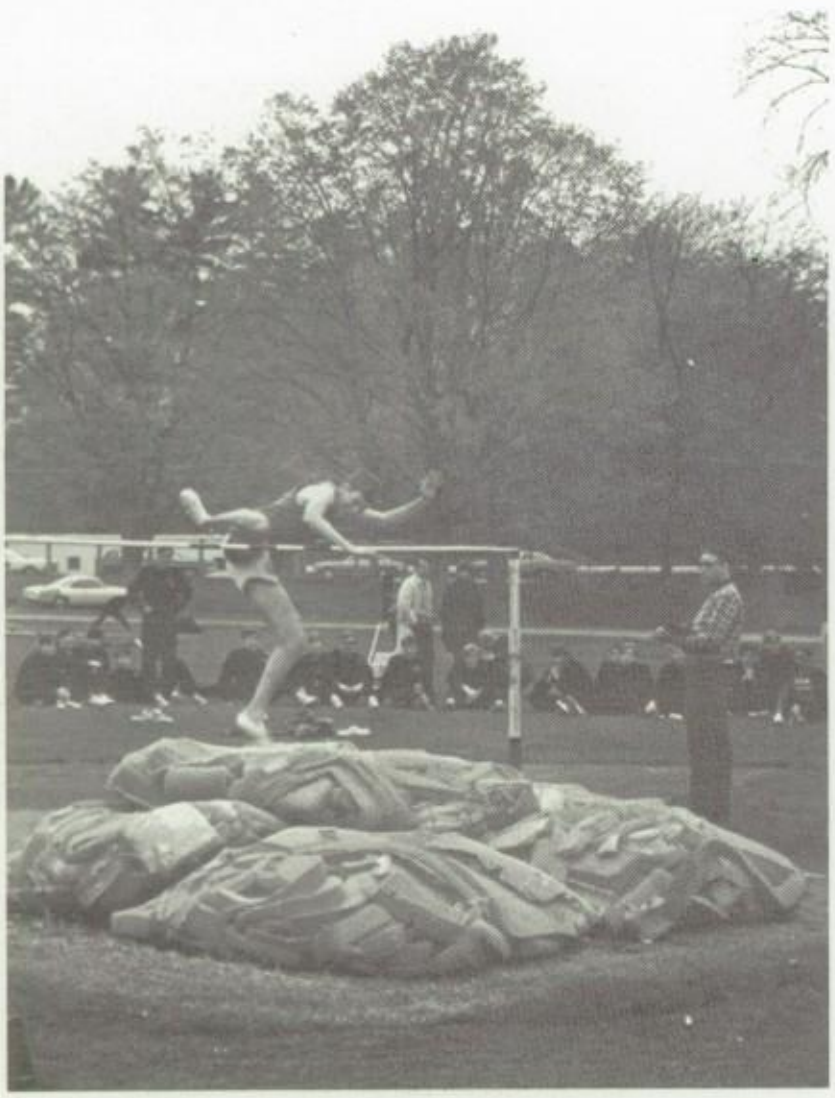


"It seems to get longer each time!"



Crawford Cutts increases his margin of victory.

A champion in the making.



Gordie Sullivan about to clear his height.

Brad Davis—javelin.

FIRST ROW: Koch, Mysorski, Farrand, Nichol, Bingham, D. Reichenbacher, Burgess, S. Greeley, Handyside, T. Jones, Bronos, DeFilippo, G. Sullivan, Bayles, Pickett, L. Smith, Davis. SECOND ROW: Lawton, R. Smith, Marantz, Garner, Shutak, Goss, Hanafin, Josephs, Thompson, Urquhart, Meade, Powell, J. Plant, Cutts, Packer, Mr. Babcock. THIRD ROW: Mr. Toohey, Mr. Sperry, Mr. McClure, Stearns, Sullivan, C. Johnson, Beauregard, Babcock, Kennard, Saslow, Dillon, Killory, Mr. Shaler, Mr. Culver.

Varsity Track

Track

The Williston Track team got off to a wet start this season with the first meet against Vermont Academy being rained-out and the second with Mount Hermon being postponed, also due to rain. The Cranwell meet was then cancelled and, on an option, the coaches decided to participate in the Deerfield Relays rather than remain idle. At the Relays, the team gained valuable experience by competing with some of the best teams in New England. Williston itself managed to place second in the pole vault, and first in the javelin, with Brad Davis '71 taking home the blue ribbon.

The team then went on to defeat Wilbraham and Cushing only to be defeated in turn by Suffield, Assumption, Loomis, and Mount Hermon. A great lack of team spirit was perhaps the major reason for a losing season. However, individual talent was not lacking. Leading the team in the sprints were Seniors Gene DeFilippo, Captain Sam Greeley, and Pat Bronos. Turning in good performances in the pole vault were Captain Keith Handyside '69, and Jim Koch '70. The weight events were led by Lee Burgess '69 and Chip Babcock '70 in the discuss, Jim Plant '70 in the shot put, and Brad Davis '71 in the javelin. The middle distances were covered by Fran Killory '70, John Meade '70, and Rick Bingham '69. The hurdles, perhaps the team's strongest event, was led by Pete Urquhart '70, Mark Beauregard '70, and Bruce Powell '70. The most exciting races, however, were probably the long distances with Jim Bayles '70, Crawford Cutts '70, Gus Nicholl '69, Larry Smith '71, and Ed Lawton '71 blazing the trail.

The race of the year was definitely the two mile at the Williston-Wilbraham-Suffield Triangular Meet. Jim Bayles led all the way and crossed the finish-line in school record breaking time of 10:19.4. Gus Nicholl completed the sweep by placing second. Williston was second in the meet to Suffield.

But the minimal amount of spirit took its toll and the record suffered. With about ten Seniors leaving next year, the remaining lettermen are particularly concerned not only about the quality of next year's team, but also the quantity; a losing team attracts few new members. Perhaps the new leadership, yet to be announced, will be the deciding factor in the continuance of fine track at Williston. Coaches Babcock, Culver, McClure, Shaler, Sperry, and Toohey hope so also.
